**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Tuesday, September 24, 2019:

MINUTE entry before the Honorable John Z. Lee: The multiple objections, joinders, and responses filed by the parties in this case have made the docket rather unwieldy and difficult to review. It also has made it difficult for the Court to address the various motions and objections in an efficient manner. Accordingly, in order to promote the efficient and effective management of this case, the Court exercises its discretion and directs the parties to abide by the following procedure. All creditors–mortgagees that wish to (1) respond or object to a motion filed by the Receiver or the SEC, or (2) file a Rule 72 objection to an order of the magistrate judge should do so in a single consolidated filing; the consolidated filing must not exceed 25 pages without prior approval of the Court. The first page of the consolidated filing should clearly state the party or parties on whose behalf the filing is being made. Mailed notice(ca, )

**ATTENTION:** This notice is being sent pursuant to Rule 77(d) of the Federal Rules of Civil Procedure or Rule 49(c) of the Federal Rules of Criminal Procedure. It was generated by CM/ECF, the automated docketing system used to maintain the civil and criminal dockets of this District. If a minute order or other document is enclosed, please refer to it for additional information.
