**JOINT STATUS REPORT**

The undersigned counsel for the Receiver, for certain of the Institutional Lenders, for certain of the Investor Lenders, and for the SEC submit the following joint status report to the Court concerning the availability of the EquityBuild documents.

The claims process for the first group of claimants currently is scheduled to begin on July 6, 2021. The project of creating the database and then providing access to the EquityBuild documents is on track for completion by July 1, 2021. Therefore, the undersigned anticipate that the EquityBuild documents will be available to all parties as of the commencement of the claims process

On or about June 24, 2021 (or at least seven days prior to the date the database will be available), the Receiver will email all claimants notifying them that the

database will be available between July 1, 2021 and December 31, 2021, and providing contact information for the database vendor, who will make arrangements with any claimants desiring to pay to access to the database.

There are two options available to claimants:

a. For a one-time fee of \$100, any individual claimant may obtain log-in credentials to access the documents in the electronic database for any portion of the six-month period still remaining, conduct searches of the documents for words or phrases contained in the documents, and select documents to download and retain for the pendency of this matter, to use only for purposes authorized by the Agreed Confidentiality Order.

b. For a one-time fee of \$300, plus an additional \$400 monthly fee, a claimant or a claimant's counsel may opt to enter into a service agreement with the vendor, CloudNine, in order to obtain their own database with all of the capabilities offered by the proprietary CloudNine Review™ platform (see <https://cloudnine.com/software/cloudnine-review/>) for any number of months within the six-month period. Before the database is disabled on December 31, 2021, claimants selecting this option will also need to download and retain any documents they wish to use in this matter after that date.

Whichever option is chosen, the vendor will require payment of the flat fee or a deposit, and a signed "Acknowledgement and Agreement to Be Bound" by the Agreed Confidentiality Order (Dkt. 917), in order to provide the claimant with credentials to access the database.

On July 6, 2021, the Receiver will file the Framing Report described in the Court's Order Regarding Claims Resolution Process No. 2 (Dkt. 941).

Dated: June 18, 2021
