**RECEIVER’S THIRTEENTH STATUS REPORT  
(Third Quarter 2021)**

Kevin B. Duff, as the receiver (“Receiver”) for the Estate of Defendants EquityBuild, Inc., EquityBuild Finance, LLC, their affiliates, and the affiliate entities of Defendants Jerome Cohen<sup>1</sup> and Shaun Cohen, as defined in the Order Appointing Receiver entered August 17, 2018 (Dkt. No. 16), as supplemented by Order entered March 14, 2019 (Dkt. No. 290) and Order entered February 21, 2020 (Dkt. No. 634) (collectively, the “Receivership Defendants”), and pursuant to the powers vested in him by Order of this Court, respectfully submits this Thirteenth Status Report for the quarter ending September 30, 2021.

**I. SUMMARY OF THE OPERATIONS OF THE RECEIVER**

The Receiver, together with his legal counsel, Rachlis Duff & Peel, LLC (“RDP”), accountants BrookWeiner, LLC (“BrookWeiner”), forensic consultant Prometheum Technologies, Inc. (“Prometheum”), asset management and real estate brokerage services provider SVN Chicago

---

<sup>1</sup> On December 30, 2020, Defendant Shaun Cohen reported to the Receiver that Defendant Jerome Cohen died on November 28, 2020

Commercial, LLC (“SVN”), claims administration service provider Axos Fiduciary Services (“Axos”) and documents vendor Avalon Legal (“Avalon”), have undertaken, without limitation, the following activities since the submission of his Twelfth Status Report (Dkt. No. 1017):

a. Identification and Preservation of Assets

Since the filing of his Twelfth Status Report, the Receiver continued using reasonable efforts to determine the nature, location, and value of all property interests of the Receivership Defendants, including monies, funds, securities, credits, effects, goods, chattels, lands, premises, leases, claims, rights, and other assets, together with all profits, interest, or other income attributable thereto, of whatever kind, which the Receivership Defendants owned, possessed, had a beneficial interest in, or controlled directly or indirectly.

At the end of the Third Quarter 2021, there were three properties remaining in the Receivership Estate, including two properties in Chicago, Illinois and one property in Houston, Texas.<sup>2</sup> The Receiver’s primary focus has been and continues to be the preservation, operation, maintenance, and sale of the properties within the Receivership Estate, as well as the implementation and handling of claims administration. The Receiver also is devoting efforts to claims asserted in state court against former EquityBuild professionals.

As previously stated, the Receiver, in connection with his counsel, asset manager/real estate broker, and property managers, continues to plan for cash flow needs at the remaining

---

<sup>2</sup> There were 116 properties in the Receivership Estate at the inception of the Receivership, not including a property in Plano, Texas, that Defendant Shaun Cohen had used as a residence. (*See* Exhibit 6) The Receiver sold ten properties in the second quarter of 2019 (formerly reported as six properties because five of these properties were sold together), eleven properties in the fourth quarter of 2019, two properties in the first quarter of 2020, 17 properties in the second quarter of 2020, 12 properties in the third quarter of 2020, 15 properties in the fourth quarter of 2020, and 45 in the second quarter of 2021. The Receiver sold one additional property in the Third Quarter 2021. (*See* Exhibit 2)

properties, to control and minimize expenditures where possible, and to address health, safety, and other essential needs at each property. To that end, the Receiver and his counsel have regularly communicated with the property managers to address operational and cash needs. The Receiver and his retained professionals also have reviewed monthly financial reporting and analyzed the cash position of the Estate. In consultation with his asset managers, the Receiver has assessed the prudence and necessity of property maintenance and repair work. Consistent with the Liquidation Plan filed with the Court (Dkt. No. 166), the Receiver remains committed, in accordance with the advice of his retained professionals, the property managers, and asset management consultants, and subject to availability of funds, to undertake capital improvements needed to address health and safety concerns, cure building code violations, or yield increases in occupancy that would drive commensurate increases in property value.

During the Third Quarter 2021, the Receiver paid \$27,424.79 real estate taxes in Cook County, Illinois and Harris County, Texas. *See* **Exhibit 1**. As of September 30, 2021, only one property had delinquent property taxes, 1102 Bingham in Houston, and the outstanding balance was \$109,880.38. The Receiver has been making monthly payments pursuant to a 36-month payment plan to avoid additional penalties.<sup>3</sup>

b. **Property Sales**

One Receivership property closed during the Third Quarter 2021, the property located at 6217-27 S Dorchester. *See* **Exhibit 2** for a listing of property sales and net proceeds by properties since the inception of the Receivership, including properties closed during the Third Quarter 2021, by closing date, property address and gross and net proceeds. Consistent with the Court's orders

---

<sup>3</sup> The balance of these delinquent taxes were paid at the October 5, 2021 closing.

approving these sales, the Receiver segregated the net proceeds into separate subaccounts. (Dkt. Nos. 966, 979, 991)

On July 16, 2021, the Court granted the Receiver's contested Twelfth Motion to Confirm the Sale of the property located at 638-40 N Avers. On July 19, 2021, the Receiver filed the Fourteenth Motion to Confirm the Sale of the property located at 1102 Bingham in Houston, Texas (Dkt. No. 1009), and the Court granted the Receiver's unopposed motion on August 13, 2021 (Dkt. No. 1024).

These two properties (638-40 N Avers in Chicago and 1102 Bingham in Houston) closed in the interim between September 30, 2021 and the date of this report, so as of the filing of this report, 7109-19 S. Calumet is the only property remaining in the receivership estate. Regarding that property, the terms of a proposed letter of credit to be posted by an institutional lender have not been resolved and the Receiver is awaiting a response from the lender's counsel.

On August 13, 2021, the Court denied Ventus Holdings, LLC and Ventus Merrill LLC's Motion for Return of Earnest Money Deposits (Dkt. No. 1025) and on September 10, 2021, these parties filed a Notice of Interlocutory Appeal of the Court's Order (Dkt. No. 1043). On October 13, 2021, the Receiver filed a motion to dismiss the appeal, and Ventus filed its response on October 28, 2021.

c. Code Violations

During the Third Quarter 2021, the Receiver was provided with four new notices of violation from the Department of Streets and Sanitation. The Receiver was able to obtain dismissal of the EquityBuild entity in one of these cases through the City's ownership dispute procedures (1416 E 62nd Place). Each of the other three matters (1422-24 E 68th St, 7024-32 S Paxton, 1414 E 62nd Place) relates to a violation cited during an inspection occurring while the property was in

the receivership estate, but the notice did not issue until after the Receiver had sold the property. The City has taken the position that the owner of the property at the time of the inspection is strictly liable for these violations, so the Receiver has notified the City that it will have to proceed through the claims process established in this matter. To that end, the Receiver has sent notice letters and exchanged correspondence with an assistant corporation counsel regarding the matters on which the City obtained default orders.

Finally, during the quarter, three housing court matters were heard on July 22, 2021, and the EquityBuild entity was dismissed from two of the matters; the third matter (638-40 N Avers) was continued to October 21, 2021.<sup>4</sup>

In summary, as of September 30, 2021, there were 3 known pending City of Chicago matters involving alleged code violations. These included one pending City of Chicago municipal housing court matters, one pending City of Chicago administrative proceeding filed by the Buildings Department and one pending administrative proceeding filed by the Department of Sanitation.

d. Financial Reporting of Receipts and Expenditures

The Receiver did not provide institutional lenders with monthly accounting relating to rents generated by, and expenses incurred in connection with, the properties on which they assert liens during the quarter, due to difficulties experienced in getting complete information from third parties needed to allocate insurance expenses. It is the Receiver's intention to prepare final reports on all sold properties, but needs complete and accurate information to ensure that the amounts allocated to a given property is not overstated. Once this process is completed, the Receiver will

---

<sup>4</sup> At the October 21, 2021 hearing, the EquityBuild entity was dismissed pursuant to the Receiver's sale of the property on October 15, 2021.

seek the Court's approval to reimburse the Receiver's Account for any funds that the Receiver expended on the sold properties.

e. Open Litigation

Discovery in the matter captioned *Byrd v. EquityBuild, et al.*, Case No. 18 L 1993, Circuit Court of Cook County closed on March 31, 2021, and a trial has been set for March 21, 2022. Settlement discussions are ongoing.

Additionally, on September 23, 2021, the Receiver obtained the dismissal of EquityBuild affiliate SSDF5 Portfolio 1 LLC and property manager WPD Management LLC from a personal injury action captioned *Hopkins v. Chicago Housing Authority et al.*, Case No. 2021 M1 300586, Circuit Court of Cook County.

f. Notice of Appointment of Receiver

The Receiver continued his efforts to notify all necessary and relevant individuals and entities of the appointment and to protect and preserve the assets of the Receivership Estate. To that end, as they are identified, the Receiver will continue to deliver notices to individuals or entities that have been identified as potentially possessing property, business, books, records, or accounts of the Receivership Defendants, or who may have retained, managed, held, insured, or encumbered, or otherwise been involved with, any of the assets of the Receivership Defendants.

g. Claimant Communications

The Receiver has provided numerous resources to keep claimants informed. To provide basic information, the Receiver established a webpage (<http://rdaplawnet.com/receivership-for-equitybuild>) for claimants and other interested parties to obtain information and certain court filings related to the Receivership Estate. A copy of this Status Report will be posted on the Receivership web site.

Court filings and orders are also available through PACER, which is an electronic filing system used for submissions to the Court. Investor claimants and others seeking court filings and orders can visit [www.ilnd.uscourts.gov](http://www.ilnd.uscourts.gov) for information about accessing filings through PACER.

Beyond those avenues, the Receiver continues to receive and respond to numerous emails and voicemails from claimants and their representatives. The Receiver and his staff responded to nearly 300 such inquiries during the Third Quarter 2021, in addition to numerous oral and other written communications. The Receiver will continue to work to ensure that information is available and/or otherwise provided as quickly and completely as practicable, asks all stakeholders and interested parties for patience during this lengthy process, and reiterates that responding to individual inquiries depletes Receivership assets. These quarterly status reports and the Receiver's other court filings remain the most efficient means of communicating information regarding the activities of the Receivership Estate.

h. Control of Receivership Property and Records

The Receiver has continued efforts to preserve all EquityBuild property and records. The Receiver is maintaining two platforms of records and data. Pursuant to the Court's order approving the institutional lenders' plan to process the EquityBuild internal documents, (Dkt. No. 915), a database containing the EquityBuild documents has been made available to other claimants and parties until December 31, 2021 for a nominal fee as well as agreement regarding keeping the documents confidential. (Dkt. No. 940)

i. Securing Bank and Investment Accounts

The Receiver notified, contacted, and conferred with the banks and other financial institutions identified as having custody or control of funds, accounts, or other assets held by, in

the name of, or for the benefit of, directly or indirectly, the Receivership Defendants. The Receiver is still pursuing records from certain institutions.

j. Factual Investigation

The Receiver and his retained professionals have continued to review and analyze the following: (i) documents and correspondence sent to or received from the EquityBuild principals, to whose email accounts the Receiver has access; (ii) bank records from EquityBuild and its affiliate entities; (iii) EquityBuild documents (now available in the CloudNine database, which will remain available through December 31, 2021); (iv) available underlying transaction documents received to-date from former Chicago-based EquityBuild counsel; and (v) files produced by former EquityBuild counsel, accountants, and employees. The Receiver issued additional subpoenas during the quarter.

k. Tax Issues

The Receiver has informed investors that he cannot provide advice on tax matters. Moreover, the Receiver and his retained professionals do not plan to issue 1099-INT's. With respect to valuation, loss, or other tax issues, investors and their tax advisors may wish to seek independent tax advice and to consider IRS Rev. Proc. 2009-20 and IRS Rev. Rul. 2009-9.

BrookWeiner was retained to perform accounting, tax, and related work in connection with winding down the business operations of the Receivership Defendants. BrookWeiner also has compiled monthly property statements and property spreadsheets and assisted with cash flow analysis matters.

l. Accounts Established by the Receiver for the Benefit of the Receivership Estate

The Receiver established custodial accounts at a federally insured financial institution to hold all cash proceeds from the sale of the Receivership property. These interest-bearing checking

accounts are used by the Receiver to collect liquid assets of the Estate and to pay portfolio-related and administrative expenses. The Receiver also established separate interest-bearing accounts to hold funds from the sale of real estate, as directed by Court order, until such time as it becomes appropriate to distribute such funds, upon Court approval, to the various creditors of the Estate, including but not limited to the defrauded investors or lenders. Attached as **Exhibit 3** is a schedule reflecting the balance of funds in these property specific accounts as of September 30, 2021, with a description of any changes to the account balance during the quarter.

## **II. RECEIVER'S FUND ACCOUNTING**

The Receiver's Standardized Fund Accounting Report ("SFAR") for the Third Quarter 2021 is attached hereto as **Exhibit 4**. The SFAR discloses the funds received and disbursed from the Receivership Estate during this reporting period. As reported in the SFAR, cash on hand as of September 30, 2021 equaled \$1,047,593.76. The information reflected in the SFAR is based on records and information currently available to the Receiver. The Receiver and his advisors are continuing with their evaluation and analysis.

## **III. RECEIVER'S SCHEDULE OF RECEIPTS AND DISBURSEMENTS**

The Receiver's Schedules of Receipts and Disbursements ("Schedule") for the Third Quarter 2021 are attached hereto as **Exhibit 5**. These Schedules in the aggregate reflect \$120,646.51 in total receipts and \$61,280.59 in total disbursements to and from the Receiver's (non-property) accounts.

## **IV. RECEIVERSHIP PROPERTY**

All known Receivership Property is identified and described in the Master Asset List attached hereto as **Exhibit 6**. The Master Asset List identifies 56 checking accounts in the names of the affiliate entities identified as Receivership Defendants, reflecting transfers of \$213,249.56 to the Receiver's account. (*See also* Dkt. No. 348 at 23-24 for additional information relating to

these funds) The Master Asset List also identifies funds in the Receiver's account in the amount of \$1,047,593.76. (Exhibit 5)

The Master Asset List does not include funds received or recovered after September 30, 2021. Nor does it include potentially recoverable assets for which the Receiver is still evaluating the value, potential value, and/or ownership interests. The Receiver is in the process of evaluating certain other types of assets that may be recoverable by the Receivership Estate.

Additionally the balances of the 103 property-specific interest-bearing accounts established to hold the proceeds from sold real estate is attached as Exhibit 3. These accounts cumulatively contained \$66,688,281.88 as of September 30, 2021.

**V. LIQUIDATED AND UNLIQUIDATED CLAIMS HELD BY THE RECEIVERSHIP ESTATE**

The Receiver and his attorneys are analyzing and identifying potential claims, including, but not limited to, potential fraudulent transfer claims and claims for aiding and abetting the fraud of the Receivership Defendants. As it relates to potential actions against claimants, and as discussed as part of the pending motion for establishment of a claims resolution process, the Receiver anticipates that any such claims would be brought as part of the claims dispute resolution process.

The Receiver and his retained counsel are also prosecuting claims in the Circuit Court of Cook County for professional malpractice and aiding and abetting a breach of fiduciary duty against Rock Fusco & Connelly LLC ("Rock Fusco"), Ioana Salajanu (a former Rock Fusco attorney), and Bregman Berbert Schwartz & Gilday LLC. During the period covered by this status report, the parties have made initial and in some cases follow-up responses to written discovery requests, and counsel have conferred regarding the completeness of the responses as well as document production issues. On September 21, 2021, the court entered a Case Management Order

that extended the deadline for the completion of written fact discovery to December 20, 2021 and set a number of interim deadlines for the parties to complete all fact and expert discovery by October 20, 2022.

At the end of September, 2021, the Receiver brought an action in Illinois state court against Mark L. Rosenberg, another attorney who represented the Cohens and EquityBuild-related entities. Currently, the Receiver is waiting to hear if defendant will sign a waiver of service.

During the quarter, the Receiver reached a settlement agreement with third parties Coventry First LLC and LST III LLC regarding the insurance proceeds from a policy on the life of Defendant Jerome H Cohen, who passed away in November 2020. On July 19, 2021, the Receiver filed a motion to approve the settlement (Dkt. No. 1011), which was granted by the Court on August 13, 2021 (Dkt. No. 1022) and the insurance company subsequently paid \$120,000 to the Receiver for the benefit of the receivership estate.

Additionally, during the quarter the Receiver served multiple subpoenas for records related to his claims and potential claims, and the Receiver and his professionals reviewed the records that were produced pursuant to these and previously-served subpoenas.

## **VI. CREDITORS AND CLAIMS AGAINST THE RECEIVERSHIP ESTATE**

The identification and compilation of claims submitted in this matter has been extraordinarily complex and time-consuming due to the unique circumstances and facts in this case. For example, it appears that in many instances anticipated proceeds of investor-lender loans rolled into new offerings rather than being paid off at maturity. It also appears that in some circumstances the mortgages securing loans may have been released without investor-lenders' knowledge or consent, allowing the Defendants to refinance the properties with new loans without retiring the existing loans. Moreover, some investor-lenders may have been induced to exchange secured loans for unsecured loans or equity positions through false representations. Additionally,

claims against many properties are complicated by cross-collateralized mortgages. The claims process has also been complicated by, among other things: (i) improperly completed proofs of claim, (ii) claims relating to properties that were conveyed to third-parties prior to the establishment of the Receivership; and (iii) claims lacking reference to properties, or relating solely to what appear to be equity investment vehicles.

During the Third Quarter 2021, the Receiver continued to work on the accuracy and completeness of its records regarding the nearly 2400 submitted claims.<sup>5</sup> Attached hereto as **Exhibit 7** is an updated version of the Receiver's "Master Claims Exhibit" listing, showing for each individual claim submitted, (i) the property address or fund name, (ii) the type (*e.g.*, property in the Receivership Estate, a former EquityBuild property disposed of prior to the establishment of the receivership, or an equity fund), (iii) the claimant name, (iv) the total amount claimed, (v) the category identified by the claimant (*e.g.*, investor-lender, equity investor, institutional lender, trade creditor, independent contractor or other), (vi) the amount claimed to have been loaned or invested in the particular property or fund (where it could be determined from the face of the claim form), and (vii) the unique claim number assigned to the claim. The updated Exhibit 7 reflects any additional information provided to the Receiver by claimants since the filing of the Receiver's last status report.

However, despite the claims review and analysis undertaken to date, the Receiver has not yet been able to review all of the documents submitted with each claim form, and thus makes no

---

<sup>5</sup> Because many of the Proof of Claim ("POC") forms submitted to the Receiver included claims against more than one property, and many claimants submitted more than one POC for the same claims, the most accurate measure of the total number of claims is the number of unique claims against a particular property or fund, which total nearly 2400. About 165 of these claims, however, are asserted against properties that are not part of the Receivership Estate, because they were sold or otherwise disposed of before the Order Appointing Receiver was entered.

conclusions or recommendations to the Court or to the claimants as to the validity, certainty, eligibility, or priority of any particular claim at this time. The balance of the Receiver's review of submitted claims will occur as part of the claims process that is discussed further below.

The summary claims resolution process with respect to the first group of properties began on July 6, 2021. (Dkt. No. 999) During the quarter, the Receiver prepared the framing report for Group 1, drafted communications with Group 1 claimants about the claims process, revised the approved Standard Discovery Requests to comport with the Court's intervening orders, setup and managed a distribution list for Group 1, and served discovery on Group 1 claimants with a deadline for completion of August 9, 2021. The Receiver and his counsel fielded numerous communications with claimants regarding the discovery process, and provided technical assistance relating to claimants' standard and additional discovery responses. The Receiver's professionals also collected and distributed the Group 1 claimants' discovery responses, and shared claims files with claimants who did not download the records from Avalon.

During the quarter, the Receiver and his counsel reviewed and analyzed the claim submissions and discovery responses of the institutional lender and the investor lenders involved in Group 1, and conducted database searches of EquityBuild's records relating to these claimants.

The Receiver and his counsel have also continued to engage in discussions with counsel for U.S. Bank National Association and Midland Loan Services regarding the process for the resolution of their claims relating to properties in which no other claimants have submitted a claim (*see* Dkt. No. 980), and have exchanged numerous drafts of a proposed abbreviated process for the resolution of these claims. The parties continue working to reach agreement.

Finally, the Receiver repeats the following reminders regarding claims and the claims process: Claimants may want to consider whether to hire counsel to assist them with the claims

process. Claimants do not have an obligation to retain counsel in order to participate in the claims process, but the Receiver and his counsel cannot provide legal advice to any claimant, nor can the Receiver advise claimants regarding whether or not they should retain counsel. Any claimant that chooses to proceed without counsel should visit the section of the Court's website ([www.ilnd.uscourts.gov](http://www.ilnd.uscourts.gov)) named "[Information for People Without Lawyers \(Pro Se\)](#)" which provides useful information and also states the following: "The rules, procedures and law that affect your case are very often hard to understand. With that in mind, you should seriously consider trying to obtain professional legal assistance from an attorney instead of representing yourself as a pro se party." Claimants may also want to speak with a lawyer to assist them in determining for themselves whether or not to retain counsel.

All claimants have a continuing responsibility to ensure that the Receiver at all times has current and up-to-date contact information so that the Receiver may provide important information relating to the claims process, the claimant's claim, or the Receivership Estate. Claimants may provide changes to or updated contact information to the Receiver at [equitybuildclaims@rdaplawn.net](mailto:equitybuildclaims@rdaplawn.net).

## **VII. PROFESSIONAL FEES AND EXPENSES**

As of September 30, 2021, there were approximately \$3,263,038.80 in unpaid fees and expenses for all professionals that have been approved by the Court, and the Receiver has submitted an applications for an additional \$185,528.04 for the second quarter of 2021, which remains pending.

On August 17, 2021, the Court entered an Order Approving First-Priority Receiver's Lien for Certain Categories of Expenses, granting in part the Receiver's pending motion. (Dkt. Nos. 947, 1030) The Court approved a first-priority lien and the interim payment of fees for two categories of activity: (1) the preservation, management, and liquidation of certain real estate

belonging to the Receivership Estate; and (2) the implementation and management of an orderly summary claim-priority adjudication process, subject to a 20% holdback on fees paid pursuant to the Receiver's lien. (Dkt. No. 1030) The Court denied without prejudice the approval of the schedules submitted by the Receiver allocating previously-approved fees to specific properties in accordance with the approved allocation methodology to the Court on April 28, 2021 (Dkt. Nos. 981-1 to 981-6), directing the Receiver to seek approval of his proposed allocations in a separate motion which will be referred to Magistrate Judge Kim for disposition. (Dkt. 1030) Subsequently, the Receiver has worked to finalize schedules allocating the fees in his ninth through twelfth fee applications, and has also worked with counsel for certain of the institutional lenders in an effort to resolve as many issues as possible, both of which activities have necessitated extension of the deadline for filing his motion to November 11, 2021. (Dkt. No. 1064)

## **VIII. CONCLUSION**

At this time, the Receiver recommends the continuation of the Receivership for at least the following reasons:

1. Preservation, maintenance, and operation of the assets in the Receivership Estate;
2. The continued investigation and analysis of current assets and potentially recoverable assets for which the Receiver is still evaluating the value, potential value, and/or ownership interests;
3. The continued efforts of the Receiver to dispose of various assets of the Receivership Estate on the best possible terms;
4. The continued investigation and analysis of the potential claims against the Receivership Estate, including, but not limited to, the claims and records of investors;
5. The continued investigation, analysis, and recovery of potential fraudulent transfer claims and claims against third parties;

6. The continued analysis and formulation, in consultation with the SEC and the Court, of a just and fair distribution plan for the creditors of the Receivership Estate; and

7. The discharge of any other legal and/or appointed duties of the Receiver as identified in the August 17, 2018 Order Appointing Receiver, or as the Court deems necessary.
