**RECEIVER’S FIFTEENTH INTERIM APPLICATION AND MOTION
FOR COURT APPROVAL OF PAYMENT OF FEES AND EXPENSES
OF RECEIVER AND RECEIVER’S RETAINED PROFESSIONALS**

Kevin B. Duff, as the receiver (“Receiver”) for the Estate of Defendants EquityBuild, Inc., EquityBuild Finance, LLC, their affiliates, and the affiliate entities of Defendants Jerome Cohen and Shaun Cohen, as defined in the Order Appointing Receiver entered August 17, 2018 (Dkt. No. 16), as supplemented by Order entered March 14, 2019 (Dkt. No. 290) and Order entered February 21, 2020 (Dkt. No. 634) (collectively, the “Receivership Defendants”), and pursuant to the powers vested in him by Order of this Court, respectfully submits this Fifteenth Interim Application (“Application”) for the First Quarter 2022, and moves this Court for an order approving payment of the fees and expenses of the Receiver, the Receiver’s counsel, Rachlis Duff & Peel, LLC (“RDP”), the Receiver’s accountants KMA S.C. f/k/a BrookWeiner, LLC (“KMA”) and Miller Kaplan Arase LLP (“Miller Kaplan”), and the Receiver’s forensic IT consultant, Prometheus. In support of his Application and Motion, the Receiver states as follows:

I. BACKGROUND

On August 15, 2018, the United States Securities and Exchange Commission (“SEC”) filed a civil Complaint against Jerome Cohen, Shaun Cohen, EquityBuild Inc., and EquityBuild Finance LLC (collectively the “Defendants”) alleging violations of federal securities laws, along with a motion for entry of an asset freeze, permanent injunction, and other ancillary relief. (Dkt. Nos. 1 & 3, respectively)

In their Complaint against the Defendants, the SEC alleged violations of Section 10(b) of the Securities Exchange Act of 1934 (the “Exchange Act”), 15 U.S.C. § 78j(b), and Rule 10b-5 promulgated thereunder, 17 C.F.R. § 240.10b-5, Section 20(a) of the Exchange Act, 15 U.S.C. §78t(a), Sections 5(a) and 5(c) of the Securities Act of 1933 (the “Securities Act”), 15 U.S.C. §77e(a) and (c), and Section 17(a) of the Securities Act, 15 U.S.C. §§77q(a)q. (Dkt. No. 1)

The Complaint further alleged that the Defendants operated a Ponzi-scheme that raised at least \$135 million from more than 900 investors by, among other things, making untrue statements of material fact in connection with the sale of promissory notes allegedly secured by residential real estate primarily located on the south side of Chicago. (*Id.* ¶¶ 1-7, 17, 20-51)

On August 28, 2018, the Court entered a judgment against defendants Jerome Cohen and Shaun Cohen which, among other things, enjoined future violations of federal securities laws. (Dkt. No. 40)

In connection with its civil action, the SEC sought and obtained Court approval for the appointment of a Receiver, and on August 17, 2018, this Court entered an Order Appointing Receiver. (Dkt. No. 16)

Under the Order Appointing Receiver, the Receiver was authorized to engage and employ persons and entities in his discretion to assist him in carrying out the duties and responsibilities set forth in the Order. (*Id.*, Order Appointing Receiver, ¶ 54)

Accordingly, the Receiver retained RDP as special counsel, and, on August 20, 2018, the Court entered an Order approving RDP's rates. (Dkt. No. 19) On August 23, 2018, the Receiver retained BrookWeiner, which recently became KMA, to provide accounting services and to perform tax and related work regarding the assets of the Receivership Defendants, and Miller Kaplan to serve as Tax Administrator of the Settlement Fund. (Dkt. No. 32) On August 28, 2018, the Court entered an Order approving KMA's and Miller Kaplan's rates. (Dkt. Nos. 39 & 45) On August 31, 2018, the Receiver retained Prometheus to access and preserve data within EquityBuild's cloud-based storage systems and provide related IT services, and, on September 6, 2018, the Court entered an order approving Prometheus's rates. (Dkt. No. 56)

Pursuant to the Order Appointing Receiver, the Receiver and his retained personnel are entitled to "reasonable compensation and expense reimbursement" from the Receivership Estate, as described in the "Billing Instructions for Receivers in Civil Actions Commenced by the U.S. Securities and Exchange Commission" (the "Billing Instructions") agreed to by the Receiver. (Dkt. No. 16, ¶ 69)

II. FIFTEENTH INTERIM APPLICATION

Pursuant to the Billing Instructions, the Receiver provides the following information regarding this Application:

- a. The Application covers the period from January 1, 2022, through March 31, 2022.
- b. The names or job titles and hourly rates of all professionals for RDP, KMA, and Miller Kaplan, as well as Prometheus's hourly rates, are attached as **Exhibit A**.

- c. This is the Receiver's Fifteenth Interim Application. The dates and amounts of the Receiver's prior interim fee applications, the orders and amounts allowed, and the amounts paid and unpaid, are attached hereto as **Exhibit B**.

III. CASE STATUS

Pursuant to the Billing Instructions, the Receiver provides the following information regarding the status of the case, and activities performed specifically for the period covered by this Application. *See also* Receiver's Fifteenth Status Report (First Quarter 2022) for additional information. (Dkt. No. 1243)

- a. **Cash on Hand and Funds Received and Disbursed During the Quarter**

The Receiver's Standardized Fund Accounting Report ("SFAR") for the First Quarter 2022 is attached as **Exhibit C**. The SFAR sets forth the funds received and disbursed from the Receivership estate during this reporting period. As reported in the SFAR, the amount of cash on hand as of March 31, 2022 was \$1,125,649.01. The information reflected in the SFAR was based on records and information currently available to the Receiver. The Receiver and his advisors are continuing with their evaluation and analysis.

- b. **Receiver's Administration of the Case**

Upon his appointment, the Receiver began making efforts to determine the nature, location, and value of all property interests of the Receivership Defendants, including monies, funds, securities, credits, effects, goods, chattels, lands, premises, leases, claims, choses in action, rights and other assets, together with all profits, interest, or other income attributable thereto, which the Receivership Defendants owned, possessed, retained a beneficial interest in, or controlled directly or indirectly, and to preserve and maintain those assets. In furtherance of such, the Receiver took, *inter alia*, the following actions:

i. Identification and Preservation of Assets

During the First Quarter 2022, the Receiver attended to the preservation, operation, maintenance, and sale of the last real estate property remaining in the Receivership Estate at the beginning of the quarter.

Additionally, the Receiver, with the assistance of counsel, worked to resolve several notices regarding building code violations involving the properties located at 8209 S Ellis and 4533 S Calumet and a collection notice for an unpaid administrative judgment concerning the property located at 5001 S Drexel. The Receiver disputed the new cases through the City's ownership dispute procedures, and notified collection counsel that the EquityBuild entities had been dismissed from the matter in 2020, prior to the entry of the judgment at issue.

ii. Property Sales

During First Quarter 2022, the Receiver and his retained professionals closed the sale of the last remaining property in the estate, 7109-19 S Calumet Avenue. The Receiver filed his Fifteenth Motion to Confirm the sale of 7109-19 S Calumet on December 30, 2021 (Dkt. No. 1110), the Court entered an order approving the sale on January 24, 2022 (Dkt. No. 1138), and the sale closed on February 28, 2022.

iii. Financial Reporting and Funds Restoration

During the quarter, the Receiver's counsel has continued working with third parties to obtain the complete information needed to allocate insurance expenses and refunds to properties and provide final accounting reports to the Court and the claimants. Once this process is completed, the Receiver will seek the Court's approval to reimburse the Receiver's Account for any funds that the Receiver expended on the properties.

iv. Open Litigation

During the quarter, the Receiver communicated with counsel for plaintiff regarding a stay of the matter captioned *Pennington v. 4533 Calumet, LLC*, Case No. 2021 L 010115, Circuit Court of Cook County, naming EquityBuild affiliate 4533-37 S Calumet, LLC, and property manager WPD Management, LLC. On January 10, 2022 the insurer notified the Receiver of its determination that there is no coverage for the *Pennington* lawsuit under the policies, and on January 27, 2022, a stay order was entered by the trial court.

The Receiver also worked with defense counsel retained by EquityBuild's insurer in the matter captioned *Byrd v. EquityBuild, Inc., et al.*, Case No. 18 L 1993, Circuit Court of Cook County, to prepare for pretrial motions and a trial that was scheduled to begin on March 21, 2022. On March 25, 2022, the case settled before a jury was selected, and the estate is responsible only for the policy's \$10,000 insurance deductible.

v. Notice of Appointment of Receiver

During the First Quarter 2022, the Receiver continued his efforts to notify all necessary and relevant individuals and entities of the appointment and to protect and preserve the assets of the Receivership Estate. To that end, as they are identified, the Receiver continues to deliver notices to individuals or entities which have been identified as potentially having possession of the property, business, books, records, or accounts of the Receivership Defendants, or who may have retained, managed, held, insured, or encumbered, or had otherwise been involved with any of the assets of the Receivership Defendants.

vi. Control of Receivership Property and Records

During the First Quarter 2022, the Receiver continued efforts to locate and preserve all EquityBuild property and records. The Receiver maintained two platforms of records and data

during the First Quarter 2022, and worked with vendor CloudNine and counsel for the institutional lenders with respect to the disposition and preservation of the documents in the database of EquityBuild internal documents.

vii. Factual Investigation

During the First Quarter 2022, the Receiver and his retained professionals continued to review and analyze the following: (i) documents and correspondence sent to or received from the EquityBuild principals, to whose email accounts the Receiver has access; (ii) bank records from EquityBuild and its affiliate entities; (iii) EquityBuild documents stored in the CloudNine database; (iv) available underlying transaction documents received to date from former Chicago-based EquityBuild counsel; and (v) files produced by former EquityBuild counsel, accountants, and employees.

During the First Quarter 2022, the Receiver and his retained counsel devoted efforts to prosecuting claims asserted against former EquityBuild professionals including, *inter alia*: (1) the law firm Rock Fusco & Connelly LLC (“Rock Fusco”), (2) Ioana Salajanu, a lawyer formerly at Rock Fusco, (3) the law firm Bregman, Berbert, Schwartz & Gilday, LLC and (4) lawyer Mark L. Rosenberg. These claims are for professional malpractice and aiding and abetting the Cohen’s breaches of their fiduciary duties. During the quarter, the Receiver continued to address written discovery issues and continued its review and analysis of records produced in discovery. In the action against Mark L. Rosenberg, which had been removed to federal court, Rosenberg filed a motion for summary judgment based on the statute of limitations and the Receiver, in turn, filed a motion for sanctions against Rosenberg due to the lack of merit to his motion for summary judgment. In that action, the Receiver also participated in an April 4, 2022 settlement conference with Magistrate Cole and which also included the Bregman, Berbert, Schwartz & Gilday, LLC

firm and their insurers. No settlement was reached but the parties then engaged in a mediation with Hon. Stuart Nudelman (Ret) of ADR Systems on May 4, 2022. No settlement was reached in that mediation and further discovery in the suits is expected.

During the quarter, the Receiver also engaged in related motion practice related to claimant Liberty EBCP, LLC's motion in the SEC action for a determination that this Court's stay of litigation was not applicable to its malpractice action captioned *Liberty EBCP, LLC v. Rock Fusco & Connelly, LLC, and Ioana Salajanu*, Case No. 20-L-4725, Circuit Court of Cook County. (Dkt. No. 1119) The Receiver submitted a response (Dkt. No. 1141), and after full briefing, on March 23, 2022, the Court denied Liberty's motion. (Dkt. No. 1222)

viii. Tax Issues

KMA f/k/a BrookWeiner was retained to perform accounting, tax, and related work in connection with winding down the business operations of the Receivership Defendants. During the quarter, KMA worked on property statements and property spreadsheets, assisted with cash flow analysis matters, and corresponded with the IRS regarding old partnership income tax returns.

Miller Kaplan was retained to serve as the Tax Administrator to take all necessary steps to enable the Settlement Fund to obtain and maintain the status of a taxable Qualified Settlement Fund ("QSF"), including the filing of all required elections and statements contemplated by those provisions, and to pay taxes in a manner consistent with treatment of the Settlement Fund as a QSF. During calendar year 2021 and the First Quarter 2022, Miller Kaplan prepared and filed the 2020 Qualified Settlement Fund Income Tax Return, paid quarterly estimated taxes for the year 2021, and is working on the 2021 Qualified Settlement Fund Income Tax return.¹

¹ The deadline to file the 2021 return was extended to October 18, 2022.

ix. Accounts Established by Receiver for the Benefit of the Receivership Estate

The Receiver established custodial accounts at a federally insured financial institution to hold all cash equivalent Receivership property. The interest-bearing checking accounts are used by the Receiver to collect liquid assets of the estate and to pay the portfolio-related and administrative expenses. For each property encumbered by secured debt that has sold, the Receiver also has established a separate interest-bearing account for the purpose of depositing and holding funds until such time as the Court orders otherwise and for ultimate distribution, following a claims process and upon Court approval, to the creditors of the Estate, including the defrauded investors. (Dkt. Nos. 230, 311, 344 & 346)

c. Creditors and Claims Against the Receivership Estate

During the First Quarter 2022, the Receiver and his retained professionals continued to improve the accuracy and completeness of the “Master Claims Exhibit,” preliminarily identifying on a property-by-property basis for each of the nearly 2400 claims the following: (i) claimant name, (ii) total amount claimed, (iii) claimant category, and (iv) the amount loaned or invested in the particular property (where it could be determined from the face of the claim form). The Receiver has encouraged claimants to review this exhibit and bring any discrepancies to the attention of the Receiver, and the Receiver and his retained professionals have updated the exhibit where appropriate. The most recent version of the Master Claims Exhibit was submitted with the First Quarter 2022 Status Report filed on April 29, 2022. (Dkt. No. 1243 at Ex. 6) This work was reasonable, necessary, and beneficial to the Receivership estate, and has allowed the Receiver’s claims vendors (1) to organize, on a property-by-property basis, the claim forms and supporting documentation that claimants have submitted to the Receiver, and (2) to provide each claimant who did not opt out of the Confidentiality Order with digital links for the transfer of the claim

forms and supporting documentation of other claimants asserting claims against the same property or properties in the receivership estate, consistent with Court orders. The Receiver also worked to update and confirm the accuracy of claimants' email, address, and counsel records, both for the preparation of framing reports, and for use in the creation of email distribution lists for claimants to use in discovery and the claims process.

The First Quarter 2022 was devoted primarily to the disputed claims process for the five properties in Group 1 (3074 Cheltenham Place; 7625-33 S East End Avenue; 7635-43 S East End Avenue; 7750-58 S Muskegon Avenue; and 7201 S Constance Avenue), which began on July 6, 2021 (Dkt. Nos. 1004-1006). During the quarter, the Receiver and his counsel and staff: (1) researched and prepared a disclosure regarding the Receiver's avoidance claim against institutional lender BC57, LLC ("BC57"); (2) engaged in additional discovery regarding the Receiver's avoidance claim; (3) reviewed and analyzed the position statements filed by BC57, the SEC, and 51 investor-lender claimants; (4) studied the proofs of claim, discovery materials, and EquityBuild documents and correspondence relating to the Group 1 claims; (5) made recommendations as to the validity and amount of each of the 169 claims submitted with respect to the five Group 1 properties; (6) drafted and submitted the Receiver's position statement regarding the Group 1 claims; (7) studied the responsive position statements filed by BC57, the SEC and several of the claimants; (8) prepared and filed a reply memorandum in support of the Receiver's avoidance claim.

The Receiver and his professionals also devoted effort during the quarter to the separate claims process requested by institutional lenders U.S. Bank National Association and Midland Loan Services regarding the resolution of their claims relating to properties in which no other claimants have submitted a claim. The Receiver's counsel completed review of the nearly 10,000

pages constituting these institutional lenders' proofs of claim submissions, and began to review extensive productions served in response to subpoenas to third-party title companies Primary Title Services LLC, OS National LLC, Avenue 365 Title Company, and Chicago Title Insurance Company, and by loan originator CBRE Capital Markets Inc.

Additionally, during the First Quarter 2022, the Receiver and his professionals (1) worked with counsel for claimants to file three joint status reports with the Court relating to the claims process (Dkt. Nos. 1139, 1166, 1229); (2) worked with intervening counsel representing investors in properties that EquityBuild sold before the commencement of the receivership to negotiate a Stipulated Order resolving these investors' motion requesting leave to name EquityBuild in mortgage foreclosure actions relating to four such properties (Dkt. No. 1176); (3) drafted communications to all claimants regarding the EquityBuild documents database and responded to approximately 145 claimant inquiries, in addition to numerous oral and other written communications with claimants and certain claimants' counsel regarding the claims process and the receivership; and (4) engaged in various other activities relating to the claims process as reflected in the submitted invoices.

The Receiver is continuously updating all claimants on the developments in this matter, and responding in a timely manner to the hundreds of emails and voicemails from investors and others, many if not most of which related to the claims submitted against the Estate and the status of the Court's process for resolving those claims and distributing the Estate's assets. To ease the burden and provide basic information, the Receiver established a web page (<http://rdaplawnet.com/receivership-for-equitybuild>) for claimants and other interested parties to obtain information and certain court filings related to the Receivership estate, which remains in

place today and continues to be best and most cost-effective mean of providing information regarding the status of this action.

d. Assets in Receivership Estate

All known Receivership Property is identified and described in the Master Asset List attached hereto as **Exhibit D**. The Master Asset List identifies 56 checking accounts in the names of the affiliates and affiliate entities included as Receivership Defendants, reflecting a combined balance in the Receiver's accounts as of March 31, 2022 of \$1,125,649.01. (*See also* Dkt. No. 258 at 21, and Dkt. No. 348 at 23-24, for additional information relating to these funds.) Additionally, 103 separate interest-bearing accounts established by the Receiver to hold the proceeds from sold real estate are identified on **Exhibit E**, which collectively contained \$70,387,156.70 as of March 31, 2022.

The Master Asset List does not include funds received or recovered after March 31, 2022. Nor does it include potentially recoverable assets for which the Receiver is still evaluating the value, potential value, and/or ownership interests. The Receiver is in the process of evaluating certain other types of assets that may be recoverable by the Receivership Estate.

IV. BILLING ADDRESSED IN THIS APPLICATION

Pursuant to the Billing Instructions, the Receiver provides the following information regarding current billing:

a. Total Compensation and Expenses Requested.

- i. In connection with his duties, the Receiver respectfully requests compensation for services rendered, totaling \$45,552.00 for the period of this Application. Copies of the Receiver's invoices for January, February and March, 2022 are attached as **Exhibit F**.

- ii. In connection with the legal services provided to the Receiver by RDP, the Receiver respectfully requests compensation for services rendered, along with reimbursement of expenses, totaling \$179,294.74 for the period of this Application. Copies of RDP's invoices for January, February and March, 2022 are attached as **Exhibit G**. The Receiver's counsel Andrew Porter received \$2,970.40 as agency fees for the title examination work performed in connection with the closing of properties during the First Quarter 2022. The Receiver will reduce the amount due to RDP for the First Quarter 2022 by this amount.
- iii. In connection with the accounting provided to the Receiver by KMA, the Receiver respectfully requests compensation for services rendered, along with reimbursement of expenses, totaling \$8,869.90 for the period of this Application. Copies of KMA's invoices for January, February and March, 2022, are attached as **Exhibit H**.
- iv. In connection with the accounting provided to the Receiver by Miller Kaplan, the Receiver respectfully requests compensation for services rendered, along with reimbursement of expenses, totaling \$9,604.60. These fees relate to services rendered during the period from the Receiver's Eleventh Fee Application for the first quarter of 2021 (Dkt. 993) through the First Quarter 2022. A copy of Miller Kaplan's invoice is attached as **Exhibit I**.
- v. In connection with the IT services provided to the Receiver by Prometheus, the Receiver respectfully requests compensation for services rendered,

which is an expense in the amount of \$825.00 for the period of this Application. A copy of Prometheus's invoice is attached as **Exhibit J**.

b. Source of Funds for Requested Compensation and Expenses.

The Receiver requests that the above compensation and expenses be paid from the Receiver's operating account to the extent there are sufficient funds now or in the future. To the extent funds are insufficient, Receiver requests that a subset of the above compensation and expenses be paid pursuant to the receiver's lien that the Court established in order that receivership property may be used to compensate the Receiver and his counsel for their work. (*See* Court's 10/26/20 Order granting Receiver's lien (Dkt. No. 824) and Court's Order Approving Receiver's Lien for Certain Categories of Expenses (Dkt. No. 1030). *See also discussion* in Section V, *infra*.)

c. Fifteenth Application for Payment of Professional Fees and Expenses.

This is the Receiver's Fifteenth Interim Application.

d. Summary of Activity.

A "Summary of Activity," providing the total hours billed and the amount of billing for each person who billed time during the Application period (January 1, 2022 through March 31, 2022) can be found at the end of the Receiver's invoices (Exhibit F) and RDP's invoices (Exhibit G) and on the first page of the KMA invoices (Exhibit H).

V. REQUEST FOR RECEIVER'S LIEN

The Receiver again requests that the Court authorize the interim payment of certain of the amounts set forth in this fee petition pursuant to the Receiver's first-priority lien previously ordered and affirmed by the Court. (*See* Dkt. Nos. 824, 1031) Specifically, the Receiver requests authorization for the interim payment of fees for two categories of activity: (1) the preservation, management, and liquidation of certain real estate belonging to the Receivership Estate; and (2)

the implementation and management of an orderly summary claim-priority adjudication process, as previously ordered with respect to the Receiver's prior fee applications. (Dkt. No. 1030)

In its March 14, 2022 Order granting the Receiver's 12th fee application, the Court directed that: "To the extent the Receiver requests that the Court authorize payments of his fees and expenses pursuant to the first-priority receiver's lien in the future, he should include details in each fee application concerning which line items he believes should be covered by the first-priority lien, and the Court will consider them together with the fee applications." (Dkt. 1213 at 8, n.3) Accordingly, the Receiver submits as **Exhibit K-M**² to this fee application his proposed allocations of the fees for the Asset Disposition, Business Operations, and Claims billing categories incurred during the First Quarter 2022 to properties in the Estate, which have been made in accordance with the methodology approved by the Court, and requests approval of an interim payment of the approved amount from the accounts established from the sale of the property, subject to any holdback ordered by the Court.³

The Receiver's proposed allocations apply the methodology previously authorized by the Court to the invoices comprising the Receiver's and his special counsel's invoices comprising this Fifteenth Fee Application. *See* Dkt. 824 at 5 (finding that "the Receiver's proposed methodology to allocate fees and expenses to individual properties is reasonable"). In summary, this methodology, which the Receiver first submitted with his 7th fee application provides: (i) first,

² Exhibit K contains a summary by property of the specific and general allocations to each property during the quarter. Exhibit L contains the general allocations which are allocated to the properties pro rata based on their gross sales prices. Exhibit M contains the specific allocation schedules for each property. *See* note 3, *infra*.

³ A May 13, 2022 family emergency has prevented the Receiver's vendor from finalizing and generating Exhibits K, L and M. The Receiver will file the schedules under separate cover as soon as they are available.

allocate by property; (ii) second, do not allocate certain billing categories; (iii) third, do not allocate third-party claims by the Receiver; and (iv) fourth, allocate all remaining fees and expenses to the properties as a percentage of their gross sales prices. (Dkt. No. 755 at 23-24) The institutional lenders have acknowledged that this methodology has been approved by the Court. (Dkt. No. 1188 at 2) (“On October 26, 2020, the Court awarded the Receiver a receiver’s lien and approved the Receiver’s methodology of allocating that lien among the Properties”).

In support of this fee application, the Receiver further incorporates by reference the arguments and legal authority offered in support of his pending Motion for Approval of Allocations of Fees to Properties for Payment Pursuant to Receiver’s Lien. (Dkt. No. 1107)

VI. CONCLUSION

WHEREFORE, the Receiver respectfully requests that the Court approve the Receiver’s Fifteenth Interim Fee Application and enter an Order as follows:

- a. finding the fees and expenses of the Receiver and Receiver’s retained professionals, Rachlis Duff & Peel, LLC, KMA S.C., Miller Kaplan Arase LLP, and Prometheus, as described in Exhibits F-J, respectively, to be reasonable and necessary to the Receivership;
- b. granting the Receiver and his retained professional a first priority administrative lien against each of the real estate properties in the Receivership Estate and their sales proceeds for payment of fees and costs;
- c. approve the proposed allocation and payment methodology with respect to a Receiver’s lien for all fees and expenses of the Receivership Estate as described and recommended in this fee application;

d. approving the Receiver's payment of such fees and expenses to the Receiver and to Receiver's retained professionals from sales proceeds for each of the properties in the Receivership Estate as described and recommended in this fee application; and

e. granting the Receiver all other relief which this Court deems just and proper.
