

I. BACKGROUND

On August 15, 2018, the United States Securities and Exchange Commission (“SEC”) filed a civil Complaint against Jerome Cohen, Shaun Cohen, EquityBuild Inc., and EquityBuild Finance LLC (collectively the “Defendants”) alleging violations of federal securities laws, along with a motion for entry of an asset freeze, preliminary injunction, and other ancillary relief. (Dkts. 1 & 3, respectively)

In their Complaint against the Defendants, the SEC alleged violations of Section 10(b) of the Securities Exchange Act of 1934 (the “Exchange Act”), 15 U.S.C. § 78j(b), and Rule 10b-5 promulgated thereunder, 17 C.F.R. § 240.10b-5, Section 20(a) of the Exchange Act, 15 U.S.C. §78t(a), Sections 5(a) and 5(c) of the Securities Act of 1933 (the “Securities Act”), 15 U.S.C. §77e(a) and (c), and Section 17(a) of the Securities Act, 15 U.S.C. §§77q(a). (Dkt. 1)

The Complaint further alleged that the Defendants operated a Ponzi-scheme that raised at least \$135 million from more than 900 investors by, among other things, making untrue statements of material fact in connection with the sale of promissory notes allegedly secured by residential real estate primarily located on the south side of Chicago. (*Id.* ¶¶ 1-7, 17, 20-51)

On August 28, 2018, the Court entered a judgment against defendants Jerome Cohen and Shaun Cohen which, among other things, enjoined future violations of federal securities laws. (Dkt. 40)

In connection with its civil action, the SEC sought and obtained Court approval for the appointment of a Receiver, and on August 17, 2018, this Court entered an Order Appointing Receiver. (Dkt. 16)

Under the Order Appointing Receiver, the Receiver was authorized to engage and employ persons and entities in his discretion to assist him in carrying out the duties and responsibilities set forth in the Order. (*Id.*, Order Appointing Receiver, ¶ 54)

Accordingly, the Receiver retained RDP as special counsel, and, on August 20, 2018, the Court entered an Order approving RDP's rates. (Dkt. 19) On August 23, 2018, the Receiver retained BrookWeiner, which subsequently became KMA, to provide accounting services and to perform tax and related work regarding the assets of the Receivership Defendants, and Miller Kaplan to serve as Tax Administrator of the Settlement Fund. (Dkt. 32) On August 28, 2018, the Court entered an Order approving KMA's and Miller Kaplan's rates. (Dkt. 39 & 45) On August 31, 2018, the Receiver retained Prometheus to access and preserve data within EquityBuild's cloud-based storage systems and provide related IT services, and, on September 6, 2018, the Court entered an order approving Prometheus's rates. (Dkt. 56)

Pursuant to the Order Appointing Receiver, the Receiver and his retained personnel are entitled to "reasonable compensation and expense reimbursement" from the Receivership Estate, as described in the "Billing Instructions for Receivers in Civil Actions Commenced by the U.S. Securities and Exchange Commission" (the "Billing Instructions") agreed to by the Receiver. (Dkt. 16, ¶ 69)

II. SEVENTEENTH INTERIM APPLICATION

Pursuant to the Billing Instructions, the Receiver provides the following information regarding this Application:

- a. The Application covers the period from July 1, 2022, through September 30, 2022.
- b. The names or job titles and hourly rates of all professionals for RDP, KMA, and Miller Kaplan, as well as Prometheus's hourly rates, are attached as **Exhibit A**.

- c. This is the Receiver's Seventeenth Interim Application. The dates and amounts of the Receiver's prior interim fee applications, the orders and amounts allowed, and the amounts paid and unpaid, are attached hereto as **Exhibit B**.

III. CASE STATUS

Pursuant to the Billing Instructions, the Receiver provides the following information regarding the status of the case, and activities performed specifically for the period covered by this Application. *See also* Receiver's Seventeenth Status Report (Third Quarter 2022) for additional information. (Dkt. 1293)

- a. **Cash on Hand and Funds Received and Disbursed During the Quarter**

The Receiver's Standardized Fund Accounting Report ("SFAR") for the Third Quarter 2022 is attached as **Exhibit C**. The SFAR sets forth the funds received and disbursed from the Receivership estate during this reporting period. As reported in the SFAR, the amount of cash on hand as of September 30, 2022 was \$1,150,499.14. The information reflected in the SFAR was based on records and information currently available to the Receiver. The Receiver and his advisors are continuing with their evaluation and analysis.

- b. **Receiver's Administration of the Case**

Upon his appointment, the Receiver began making efforts to determine the nature, location, and value of all property interests of the Receivership Defendants, including monies, funds, securities, credits, effects, goods, chattels, lands, premises, leases, claims, choses in action, rights and other assets, together with all profits, interest, or other income attributable thereto, which the Receivership Defendants owned, possessed, retained a beneficial interest in, or controlled directly or indirectly, and to preserve and maintain those assets. In furtherance of such, the Receiver took, *inter alia*, the following actions:

i. Identification and Preservation of Assets

During the Third Quarter 2022, the Receiver and his counsel devoted a minimal amount of time to confirming the amounts of post-sale reconciliation for several properties sold in prior quarters.

ii. Financial Reporting and Funds Restoration

During the quarter, the Receiver's counsel has continued working with third parties to obtain the complete information needed to allocate insurance expenses and refunds to properties and provide final accounting reports to the Court and the claimants. Once this process is completed, the Receiver will seek the Court's approval to reimburse the Receiver's Account for any funds that the Receiver expended on the properties and/or credit the separate property accounts for their pro-rata share of any net refunds.

iii. Open Litigation

During the Third Quarter 2022, the Receiver and his retained counsel devoted efforts to two lawsuits prosecuting claims asserted against former EquityBuild professionals including, *inter alia*: (1) the law firm Rock Fusco & Connelly LLC ("Rock Fusco"), (2) Ioana Salajanu, a lawyer formerly at Rock Fusco, (3) the law firm Bregman, Berbert, Schwartz & Gilday, LLC and (4) lawyer Mark L. Rosenberg. These claims are for professional malpractice and aiding and abetting the Cohen's breaches of their fiduciary duties. During the quarter, the Receiver continued to address written and oral discovery issues and continued review and analysis of EquityBuild records and records produced by the defendants in discovery. Additionally, in *Duff v. Rosenberg*, Civil Action No.21-cv-6756 (N D. Ill), the parties completed a joint status report and held a hearing on the Receiver's Motion for Rule 11 Sanctions, which argues that Defendants' previously-filed summary judgment motion was not well-grounded in either fact or law. The Court has taken the

motion for sanctions under advisement. In addition, in an effort to preserve the remaining insurance available to defendants in this case, the parties are exploring a possible settlement framework.

Also during the quarter, the Receiver initiated two separate actions against (1) Chief Management LLC and Ezri Namvar in *Duff v. Chief Management LLC, et al.*, Case No. 1:22-cv-4335, and (2) Tyler DeRoo, Ronald Bol, and Trinity Inspection & Restoration, Inc. in *Duff v. DeRoo, et al.*, Case No. 1:22-cv-4336. These actions are both in preliminary stages. The Receiver does not seek compensation for fees or services relating to these four lawsuits as part of this fee application.

iv. Notice of Appointment of Receiver

During the Third Quarter 2022, the Receiver continued his efforts to notify all necessary and relevant individuals and entities of the appointment and to protect and preserve the assets of the Receivership Estate. To that end, as they are identified, the Receiver continues to deliver notices to individuals or entities which have been identified as potentially having possession of the property, business, books, records, or accounts of the Receivership Defendants, or who may have retained, managed, held, insured, or encumbered, or had otherwise been involved with any of the assets of the Receivership Defendants.

v. Control of Receivership Property and Records

During the Third Quarter 2022, the Receiver continued efforts to locate and preserve all EquityBuild property and records. The Receiver maintained two platforms of records and data during the Third Quarter 2022, and worked with counsel for certain of the institutional lenders to re-process the documents to a format that can be maintained, preserved, and utilized during the pendency of this matter, as well as used for document productions and investigations in the matters

brought by the Receiver against the former EquityBuild professionals. The Receiver's understanding is that the EquityBuild records are now sufficiently preserved in a format that eliminates the need to continue maintaining the hosted platforms of records, which the Receiver will close at the end of the current billing cycle.

vi. Factual Investigation

During the Third Quarter 2022, the Receiver and his retained professionals continued to review and analyze the following: (i) documents and correspondence sent to or received from the EquityBuild principals, to whose email accounts the Receiver has access; (ii) bank records from EquityBuild and its affiliate entities; (iii) other EquityBuild documents that were previously stored in the CloudNine database; (iv) available underlying transaction documents received to date from former Chicago-based EquityBuild counsel; (v) files produced by former EquityBuild counsel, accountants, and employees, and (vi) documents obtained pursuant to various subpoenas.

vii. Tax Issues

KMA f/k/a BrookWeiner was retained to perform accounting, tax, and related work in connection with winding down the business operations of the Receivership Defendants. During the quarter, KMA worked on property statements and property spreadsheets, and assisted with the accounting and reconciliation of property expenses.

Miller Kaplan was retained to serve as the Tax Administrator to take all necessary steps to enable the Settlement Fund to obtain and maintain the status of a taxable Qualified Settlement Fund ("QSF"), including the filing of all required elections and statements contemplated by those provisions, and to pay taxes in a manner consistent with treatment of the Settlement Fund as a QSF. During the quarter, prepared amended 2019 and 2020 tax returns and original 2021 tax

returns, and worked with Receiver to conduct an analysis of gains and losses on property sales to calculate any potential tax liabilities.

viii. Accounts Established by Receiver for the Benefit of the Receivership Estate

The Receiver established custodial accounts at a federally insured financial institution to hold all cash equivalent Receivership property. The interest-bearing checking accounts are used by the Receiver to collect liquid assets of the estate and to pay the portfolio-related and administrative expenses. For each property encumbered by secured debt that has sold, the Receiver also has established a separate interest-bearing account for the purpose of depositing and holding funds until such time as the Court orders otherwise and for ultimate distribution, following a claims process and upon Court approval, to the creditors of the Estate, including the defrauded investors. (Dkts. 230, 311, 344 & 346) During the quarter, the Receiver distributed the funds in 28 of these accounts relating to certain single claim properties, pursuant to agreements achieved with claimants and in accordance with orders entered by the Court. (Dkts. 1288 & 1303)

c. Creditors and Claims Against the Receivership Estate

During the Third Quarter 2022, the Receiver and his retained professionals continued to improve the accuracy and completeness of the “Master Claims Exhibit,” preliminarily identifying on a property-by-property basis for each of the nearly 2400 claims the following: (i) claimant name, (ii) total amount claimed, (iii) claimant category, and (iv) the amount loaned or invested in the particular property (where it could be determined from the face of the claim form). The Receiver has encouraged claimants to review this exhibit and bring any discrepancies to the attention of the Receiver, and the Receiver and his retained professionals have updated the exhibit where appropriate. The most recent version of the Master Claims Exhibit was submitted with the Third Quarter 2022 Status Report filed on October 31, 2022. (Dkt. 1328 at Ex. 5) This work was

reasonable, necessary, and beneficial to the Receivership estate, and has allowed the Receiver's claims vendors (1) to organize, on a property-by-property basis, the claim forms and supporting documentation that claimants have submitted to the Receiver, and (2) to provide each claimant who did not opt out of the Confidentiality Order with digital links for the transfer of the claim forms and supporting documentation of other claimants asserting claims against the same property or properties in the receivership estate, consistent with Court orders. The Receiver also worked to update and confirm the accuracy of claimants' email, address, and counsel records, both for the preparation of framing reports, and for use in the creation of email distribution lists for claimants to use in discovery and the claims process.

During the quarter, the Receiver and his counsel and staff devoted substantial time to the review and analysis of claimants' proof of claim forms related to their claims against properties in upcoming claims groups, and the supporting documents submitted with those claims. This is an ongoing process with much remaining to be completed, and the Receiver is working toward being in a position to make timely recommendations on upcoming groups of claims.

During the quarter, the Receiver culminated settlement discussions with claimants U.S. Bank, Trustee and Midland Loan Services regarding 28 properties in which they were the only claimant. In connection with these discussions, the Receiver and his retained professionals undertook a post-closing reconciliation for the 28 single claim properties involved in the negotiations, which required extensive analysis of potential tax liabilities, insurance premiums and refunds, the financial records of the Receiver and property managers, and the Receiver's allocation of attorneys' fees to these properties pursuant to the receiver's lien.

The Receiver reached an agreement with U.S. Bank, prepared a joint motion to approve the distribution of the proceeds of sale of two properties filed by the parties on July 12, 2022 (Dkt.

1272), and a final order approving the distributions that was entered by the Court on August 9, 2022 (Dkt. 1288). The Receiver also reached an agreement with Midland, prepared a joint motion to approve the distribution of the proceeds of sale of 26 properties filed by the parties on August 9, 2022 (Dkt. 1289), and a final order approving the distributions that was entered by the Court on August 30, 2022 (Dkt. 1303).

At the direction of and together with Magistrate Judge Kim and other claimants, the Receiver also worked during the quarter to attempt to facilitate resolution of claims with respect to an additional 16 disputed properties, which the Court selected for settlement discussion based on the limited number of claimants competing for the account balances. (Dkt. 1310) Discussions with respect to these properties and potential distribution of funds are ongoing.

Additionally, during the Third Quarter 2022, the Receiver and his professionals drafted communications to all claimants regarding the court proceedings and responded to approximately 146 claimant inquiries, in addition to numerous oral and other written communications with claimants and certain claimants' counsel regarding the claims process and the receivership; and engaged in various other activities relating to the claims process as reflected in the submitted invoices.

The Receiver is continuously updating all claimants on the developments in this matter, and responding in a timely manner to the hundreds of emails and voicemails from investors and others, many if not most of which related to the claims submitted against the Estate and the status of the Court's process for resolving those claims and distributing the Estate's assets. To ease the burden and provide basic information, the Receiver established a web page (<http://rdaplawnet.com/receivership-for-equitybuild>) for claimants and other interested parties to obtain information and certain court filings related to the Receivership estate, which remains in

place today and continues to be best and most cost-effective mean of providing information regarding the status of this action.

d. Assets in Receivership Estate

All known Receivership Property is identified and described in the Master Asset List attached hereto as **Exhibit D**. The Master Asset List identifies 56 checking accounts in the names of the affiliates and affiliate entities included as Receivership Defendants, reflecting a combined balance in the Receiver's accounts as of September 30, 2022 of \$1,150,499.14. (*See also* Dkt. 258 at 21, and Dkt. 348 at 23-24, for additional information relating to these funds.) Additionally, 105 separate interest-bearing accounts established by the Receiver to hold the proceeds from sold real estate are identified on **Exhibit E**, which collectively contained \$65,242,845.57 as of September 30, 2022.

The Master Asset List does not include funds received or recovered after September 30, 2022. Nor does it include potentially recoverable assets for which the Receiver is still evaluating the value, potential value, and/or ownership interests. The Receiver is in the process of evaluating certain other types of assets that may be recoverable by the Receivership Estate.

IV. BILLING ADDRESSED IN THIS APPLICATION

Pursuant to the Billing Instructions, the Receiver provides the following information regarding current billing:

a. Total Compensation and Expenses Requested.

- i. In connection with his duties, the Receiver respectfully requests compensation for services rendered, totaling \$22,035.00 for the period of this Application. Copies of the Receiver's invoices for July, August and September, 2022 are attached as **Exhibit F**.

- ii. In connection with the legal services provided to the Receiver by RDP, the Receiver respectfully requests compensation for services rendered, along with reimbursement of expenses, totaling \$117,039.03 for the period of this Application. Copies of RDP's invoices for July, August and September, 2022 are attached as **Exhibit G**.
- iii. In connection with the accounting provided to the Receiver by KMA, the Receiver respectfully requests compensation for services rendered, along with reimbursement of expenses, totaling \$7,117.00 for the period of this Application. Copies of KMA's invoices for July, August and September, 2022, are attached as **Exhibit H**.
- iv. In connection with the accounting provided to the Receiver by Miller Kaplan, the Receiver respectfully requests compensation for services rendered, along with reimbursement of expenses, totaling \$2,408.00. These fees relate to services rendered during the Third Quarter 2022. A copy of Miller Kaplan's invoice is attached as **Exhibit I**.
- v. In connection with the IT services provided to the Receiver by Prometheus, the Receiver respectfully requests compensation for services rendered, which is an expense in the amount of \$605.00 for the period of this Application. A copy of Prometheus's invoice is attached as **Exhibit J**.

b. **Source of Funds for Requested Compensation and Expenses.**

The Receiver requests that the above compensation and expenses be paid from the Receiver's operating account to the extent there are sufficient funds now or in the future. To the extent funds are insufficient, Receiver requests that a subset of the above compensation and

expenses be paid pursuant to the receiver's lien that the Court established in order that receivership property may be used to compensate the Receiver and his counsel for their work. (*See* Court's 10/26/20 Order granting Receiver's lien (Dkt. 824) and Court's Order Approving Receiver's Lien for Certain Categories of Expenses (Dkt. 1030). *See also discussion* in Section V, *infra*.

c. Seventeenth Application for Payment of Professional Fees and Expenses.

This is the Receiver's Seventeenth Interim Application.

d. Summary of Activity.

A "Summary of Activity," providing the total hours billed and the amount of billing for each person who billed time during the Application period (July 1, 2022 through September 30, 2022) can be found at the end of the Receiver's invoices (Exhibit F) and RDP's invoices (Exhibit G). The average hourly billing rate reflected by RDP's invoices for the application period was \$215.

V. REQUEST FOR RECEIVER'S LIEN

The Receiver again requests that the Court authorize the interim payment of certain of the amounts set forth in this fee petition pursuant to the Receiver's first-priority lien previously ordered and affirmed by the Court. (*See* Dkts. 824, 1031) Specifically, the Receiver requests authorization for the interim payment of fees for the following categories of activity: (1) the preservation, management, and liquidation of certain real estate belonging to the Receivership Estate; (2) the implementation and management of an orderly summary claim-priority adjudication process, as previously ordered with respect to the Receiver's prior fee applications; and (3) efforts to distribute funds to claimants. (Dkt. 1030)

For the convenience of the Court and the parties, the Receiver's invoices for the Third Quarter 2022 categorized fees relating to the distribution of proceeds in the new activity category

“Distributions.” In addition to fees in the three categories that the Receiver has previously requested be allocated to properties of the estate pursuant to the Receiver’s lien (i.e., “Asset Disposition,” “Business Operations,” and “Claims Administration”), the Receiver is also seeking reimbursement of his fees in this fourth “Distributions” category, which relates both to the liquidation of assets and the management of the claims process.

Notably, the Receiver’s efforts to preserve, manage, and liquidate the real estate properties within the Estate are largely concluded at this point. With respect to allocations pursuant to the Receiver’s lien, the primary billing categories in this application period and moving forward are expected to be in the Claims and Distribution categories. The Receiver’s activities in those areas will largely be dictated by the Receiver’s claims analysis, the claims process, settlement efforts, and further directions provided to the Receiver by the Court.

In its March 14, 2022 Order granting the Receiver’s 12th fee application, the Court directed that: “To the extent the Receiver requests that the Court authorize payments of his fees and expenses pursuant to the first-priority receiver’s lien in the future, he should include details in each fee application concerning which line items he believes should be covered by the first-priority lien, and the Court will consider them together with the fee applications.” (Dkt. 1213 at 8, n.3) Accordingly, the Receiver submits as **Exhibit K-N**¹ to this fee application his proposed allocations to properties in the Estate of fees incurred during the Third Quarter 2022 in the Asset Disposition, Business Operations, Claims, and Distributions billing categories, which have been made in

¹ **Exhibit K** contains a summary by property of the specific and general allocations to each property during the quarter. **Exhibit L** contains the general allocations which are allocated to the properties pro rata based on their gross sales prices. **Exhibits M** and **N** both contain the specific allocations, grouped together in Exhibit M to show the property or properties to which each task has been allocated and a count of those properties, and individually by property in Exhibit N.

accordance with the methodology approved by the Court, and requests approval of an interim payment of the approved amount from the accounts established from the sale of the property, subject to any holdback ordered by the Court.

The Receiver's proposed allocations apply the methodology previously authorized by the Court to the invoices comprising the Receiver's and his special counsel's invoices comprising this Seventeenth Fee Application. *See* Dkt. 824 at 5 (finding that "the Receiver's proposed methodology to allocate fees and expenses to individual properties is reasonable"). In summary, this methodology, which the Receiver first submitted with his 7th fee application, provides: (i) first, allocate by property; (ii) second, do not allocate certain billing categories; (iii) third, do not allocate third-party claims by the Receiver; and (iv) fourth, allocate all remaining fees and expenses to the properties as a percentage of their gross sales prices. (Dkt. 755 at 23-24) The institutional lenders have acknowledged that this methodology has been approved by the Court. (Dkt. 1188 at 2) ("On October 26, 2020, the Court awarded the Receiver a receiver's lien and approved the Receiver's methodology of allocating that lien among the Properties.")

In support of this fee application, the Receiver further incorporates by reference the arguments and legal authority offered in support of his pending Motion for Approval of Allocations of Fees to Properties for Payment Pursuant to Receiver's Lien. (Dkt. 1107)

VI. CONCLUSION

WHEREFORE, the Receiver respectfully requests that the Court approve the Receiver's Seventeenth Interim Fee Application and enter an Order as follows:

a. finding the fees and expenses of the Receiver and Receiver's retained professionals, Rachlis Duff & Peel, LLC, KMA S.C., Miller Kaplan Arase LLP, and Prometheus, as described in Exhibits F-J, respectively, to be reasonable and necessary to the Receivership;

b. granting the Receiver and his retained professional a first priority administrative lien against each of the real estate properties in the Receivership Estate and their sales proceeds for payment of fees and costs;

c. approve the proposed allocation and payment methodology with respect to a Receiver's lien for all fees and expenses of the Receivership Estate as described and recommended in this fee application;

d. approving the Receiver's payment of such fees and expenses to the Receiver and to Receiver's retained professionals from sales proceeds for each of the properties in the Receivership Estate as described and recommended in this fee application; and

e. granting the Receiver all other relief which this Court deems just and proper.
