**RECEIVER'S THIRD MOTION FOR REIMBURSEMENT AND  
RESTORATION OF FUNDS EXPENDED FOR THE BENEFIT OF  
RECEIVERSHIP PROPERTIES AND TO APPROVE CERTAIN ADDITIONAL  
PAYMENTS FROM RECEIVERSHIP PROPERTY SALES PROCEEDS**

Kevin B. Duff, as receiver (“Receiver”) for the Estate of Defendants EquityBuild, Inc. (“EquityBuild”), EquityBuild Finance, LLC (“EquityBuild Finance”), their affiliates, and the affiliate entities of Defendants Jerome Cohen and Shaun Cohen (collectively, the “Receivership Defendants”), and pursuant to the powers vested in him by the Order Appointing Receiver entered on August 17, 2018 (Dkt. 16), as supplemented by Orders entered March 14, 2019 and February 21, 2020 (Dkt. 290, 634), respectfully moves for Court approval to use proceeds from the sale of certain sold properties (“the benefited properties”), consistent with the prior orders of this Court, (1) to restore certain funds paid from the Receiver’s account to preserve, maintain, and improve the properties prior to their sale, (2) to pay certain expenses to the property managers or other third-parties that were incurred for the benefit of one or more properties, (3) to restore funds to certain property accounts that were paid at closing to release City of Chicago liens on other

properties owned by the same entity; and (4) to reimburse the Receiver's account for amounts paid to Rachlis Duff & Peel ("RDP") for certain property-related expenses advanced by RDP and included on its monthly invoices approved by the Court in connection with the Receiver's quarterly fee applications (*see, e.g.*, Dkt. 1312 at 4, Order approving Receiver's 13th – 16th fee applications while imposing a holdback of 20% of the fees—but not expenses—requested in the applications).

In support of this motion, the Receiver submits a schedule (attached as **Exhibit 1** hereto) identifying (1) each of the benefited properties, (2) the amount the Receiver requests be reimbursed to the Receiver's operating account for property-related expenses that were previously paid directly from the Receiver's operating account or advanced by RDP and reimbursed from the Receiver's operating account, (3) the amount of funds to be restored to or paid from the property account for reconciliation of certain amounts paid at closing to satisfy a lien related to another property; and (4) the amount of funds the Receiver requests be paid from certain of the property accounts to third parties for property-related expenses that are currently due. For additional support, the Receiver also submits individual accountant reports showing the net amount reimbursable to the Receiver's account from the specific property account that are set forth in Column I of Exhibit 1 (**Group Exhibit 2**)<sup>1</sup>, and states as follows:

---

<sup>1</sup> The accountant's property reports summarized in Column I set forth the expenses paid from the Receiver's account over the course of the receivership, but do not include the cost of property tax appeals paid from the Receiver's account that are set forth separately in Column II. The accountant's reports also do not include amounts paid by Rachlis Duff & Peel LLC and reimbursed by the Receiver (Column III), certain amounts paid at property closings to satisfy City of Chicago liens relating to another property owned by the same special purpose entity (Column IV) and amounts due to third parties for outstanding debts (Column V). Each of the expenses is summarized in the notes section of Exhibit 1 and described more fully below.

**A. The Court Should Grant the Receiver's Request to Restore Funds Expended for the Benefit of Sold Properties to the Receiver's Operating Account.**

From the beginning of the Receivership until the sale of the properties of the Estate, the Receiver worked with its professionals including the property managers for the benefited properties in the effort to preserve, maintain, and improve them, and has paid expenses from available funds in the Receiver's account. The covered expenses primarily included property management costs, real estate taxes, and insurance costs. Property management costs included but were not limited to property management fees, unit turns, utilities (gas, electric, water), garbage service, tenant and rental services, various repairs (labor and supplies), janitorial services, landscaping services, extermination services, supervising building access to outside vendors (such as locksmiths, plumbers, electricians, glass repairmen, utility company inspectors, etc.), asset reconciliation and accounting services, posting notices, eviction-related services, and permits. The Receiver paid these expenses for the benefit of the properties that are the subject of this motion that were necessary for the preservation, maintenance, and improvement of those properties. Funds used from the Receiver's account for the benefit of these properties should be restored to the Receiver's account now that those benefited properties have been sold and funds are available. Thus, through this motion, the Receiver seeks to restore funds to the Receiver's account that have been expended for the benefited properties.

The last property in the Receivership was sold in 2022, at which time the Receiver and third-party professionals commenced a time-consuming task to properly and accurately allocate and reimburse expenses across the various properties, which involved a detailed review of receivership and property manager expenditures throughout this receivership, past reimbursement and restoration payments, and the allocation of insurance premiums and refunds. In the interests of efficiency and completeness, the Receiver has waited until all of this work was completed in

order to avoid seriatim motions which would have compounded the use of the Court's and claimants' resources. The Receiver does not anticipate that there will be any further motions along these lines.

“As a general rule, the expenses and fees of a receivership are a charge upon the property administered.” *Gaskill v. Gordon*, 27 F.3d 248, 251 (7th Cir. 1994) (citing *Atlantic Trust Co. v. Chapman*, 208 U.S. 360, 375-76 (1908); *Donovan v. Robbins*, 588 F. Supp. 1268, 1271 (N.D. Ill. 1984)); *see also SEC v. Elliott*, 953 F.2d 1560, 1576 (11th Cir. 1992) (citing Clark on Receivers § 641 (3d ed. 1959) (“property which is benefitted by the receivership should bear its share of the costs and expenses of the receivership”)). “[I]t is appropriate to charge a secured creditor for maintenance of the collateral....” *Elliott*, 953 F.2d at 1576; *see also Cagan v. Mutual Ben. Life Ins. Co.*, 28 F.3d 654, 656 (7th Cir. 1994).

Consistent with the Court's prior orders, the discussion set forth above, and the exhibits attached hereto, the Receiver respectfully requests approval to transfer the net reimbursable amounts from the separate accounts for the benefited properties to the Receiver's account. In accordance with the Court's prior orders, these amounts transferred back to the Receiver's account would then be available to pay ongoing expenses, and for eventual distribution to unsecured creditors of the estate.

**Exhibit 1** to the motion provides a summary by property of the costs that have been expended for each of the benefited properties. These expenses were necessary and appropriate to address the maintenance, preservation, and improvement of the benefited properties, and consist of the following categories of expenses:

**1. The Property Reports Submitted Herewith Track Payments Made from the Receiver's Account and Prior Debits and Credits.**

**Group Exhibit 2** contains individual reports for each of the properties that were prepared by the KMA accounting firm based upon monthly profit and loss reports from the property managers, schedules maintained by the Receiver of expenditures per property, and information provided by the insurance agent (Rosenthal Brothers) to allocate the percentage of total insurance costs to each property on a proportionate basis, including the allocation of premium refunds received as properties were sold during the policy term. Each report shows for each month of the receivership, the property expenses paid by the Receiver for property taxes, insurance premiums, and property management expenses of properties operating at a loss. These reports further show amounts previously restored to or from the property pursuant to the Court's prior orders (Dkt. 796), and any insurance premium refunds received. A more detailed explanation of the fields in the reports is contained at the front of Group Exhibit 2. Each report concludes with the "net amount reimbursable from (to) property," which amounts are set forth in column I of the Summary Report (Exhibit 1).

**2. Additional Expenses Not Included in the Property Reports**

The Receiver also seeks reimbursement from the property accounts for several expenses that were paid directly from the Receiver's account that are not included in the reports prepared by KMA, as follows:

**a. 1102 Bingham Street, Houston, Texas**

The property located at 1102 Bingham Street in Houston, Texas is the only real estate property in the Estate that was located outside the greater Chicago area (other than the personal residence of Jerry Cohen, which is not the subject of any claims to be resolved by the Court). Because the accountant reports that are attached as Exhibit 2 were prepared primarily to reconcile

insurance premiums and refunds on policies covering EquityBuild's Chicago portfolio, as well as payments paid to the managers of these properties (neither of whom managed 1102 Bingham), no similar report was prepared for 1102 Bingham. Accordingly, attached hereto as **Exhibit 3** is a listing of the expenses related to 1102 Bingham that were paid from the Receiver's account from the commencement of the Receivership in August of 2018 until this property was sold on October 5, 2021. These expenses, which total \$96,709.25 in the aggregate, consist primarily of payments made to the Harris County Tax Assessor to pay property taxes, and also include smaller amounts for property appraisal fees, property maintenance (lawn service), and payments to the City of Houston for fines levied against the property. For each of the reasons set forth above, \$96,709.25 should be transferred from the segregated account holding the net proceeds from the sale of 1102 Bingham to Receiver's operating account to reimburse for payments made from that account that are more fully described in Exhibit 3. The balance of the 1102 Bingham account was \$707,785.69 as of January 31, 2023.

**b. Successful Tax Appeals**

On November 14, 2019, following the Court's approval of the fee amount (Dkt. 156, 164), and using funds from the Receiver's account, the Receiver paid an invoice from attorney Lauren Tatar as compensation on a contingent basis for successful Board of Review property tax appeals. As set forth in **Exhibit 4** hereto, Ms. Tatar's agreed-upon compensation was 10% of the one-year savings for each property that was benefited by the appeal. The Receiver, therefore, seeks reimbursement from the accounts of the following benefited properties in amounts that equal 10% of the benefit received in the form of a reduction in the property taxes assessed against the property.

<b>Property #</b>	<b>Property Address</b>	<b>Paid to Tax Appeal Counsel</b>
8	1414 & 1418 East 62nd Place	\$60.06
79	6160-6212 S Martin Luther King Drive	\$434.72

78	7201 S Constance Avenue	\$1,115.03
38	7210 S Vernon Avenue	\$26.61
5	7749-59 S Yates Boulevard	\$285.53
62	7834-44 S Ellis Avenue	\$522.46
95	8201 S Kingston Avenue	\$474.00
	<b>TOTAL</b>	<b>\$3,490.84</b>

**3. The Receiver's Account Should Be Reimbursed for Payments Reimbursing Rachlis Duff & Peel, LLC for Certain Expenses That Benefited Specific Properties and Submitted in Fee Applications Approved by the Court.**

The Receiver's law firm advanced certain expenditures, by paying for items such as court costs, recording fees, corporate filing fees, and publication notices. As the Court has approved the Receiver's fee applications, and the expenses at issue, the Receiver has reimbursed RDP for these expenses from his operating account. Because these expenditures directly related to and benefited individual properties, the Receiver requests approval to reimburse the Receiver's account from the accounts holding the proceeds of the sales of the benefited properties. The specific amounts and properties benefited by these expenditures are set forth in Column III and described in the Notes on Exhibit 1.<sup>2</sup>

---

<sup>2</sup> The Court has previously approved the payment of similar expenses in this manner in connection with the distribution of sales proceeds associated with the single claim properties. (*See* Dkt. 1288, 1303)

**B. The Court Should Approve the Restoration of Funds from One Property Account to Another to Repay Certain Amounts Paid at Closing to Release Liens Relating to Other Properties Owned by the Same Entity.**

On two occasions, in order to close the sales of 7546 S Saginaw (property 88) and 7450 S Luella (property 112), the City of Chicago required payment from closing proceeds to release a lien recorded against the property that related to judgments against other properties that were owned by the same entity. Exhibits 5 & 6 each contains an itemization showing the property from which the funds were paid in order to release the City's lien, the amount of the payment, the properties that benefited from the payment, and the amount of the benefit to each property, as well as supporting documentation in the form of the settlement statement, related payoff letters, and judgment orders. The Receiver requests approval to transfer funds from the property accounts containing the proceeds of the sales of the benefited properties to the accounts holding the proceeds from the sales of 7546 S Saginaw and 7450 S Luella, respectively.

**C. The Court Should Approve Payment of Certain Third-Party Obligations Using Property Sale Proceeds Relating to Those Benefited Properties.**

Additionally, the Receiver moves for the Court's approval to use a portion of the segregated proceeds from the sale of receivership properties to satisfy the following incurred expenses. These amounts have not been paid out of the Receiver's account but remain owed to the third parties indicated:

**1. Payment of Accounts Payable Balance to Property Manager WPD Management**

Prior to the May 26, 2021 sale of the property located at 1414 E 62nd Place pursuant to court order (Dkt. 979), property manager WPD Management advanced \$3,000.00 to the property to provide funds for the upkeep of the property, including maintenance expenses, utility payments, and security services. Following post-sale reconciliation, the ending cash balance in the property

manager’s reserve for the property is \$85.65, and the property manager is still owed a balance of \$2,148.35. The current balance (as of January 31, 2023) of the account established to hold the proceeds from the sale of 1414 E 62nd Place is \$34,818.22. A copy of the Property Manager’s statement is attached as **Exhibit 7**.

**2. Invoices for Utilities and Other Services**

The following properties have outstanding invoices that relate to services provided while the property at issue was part of the Receivership Estate but for which the invoices were received by the property managers after the property had been sold and the property manager’s operating account was closed:

<b>Property #</b>	<b>Property Address</b>	<b>Vendor</b>	<b>Amount</b>
51	1401 W 109th Place, Floor 1	People’s Gas	\$190.33
51	1401 W 9th Street, Floor 2	People’s Gas	\$169.81
68	6217-27 S Dorchester Avenue	People’s Gas	\$3,622.95
85	7201 S Constance Avenue	People’s Gas	\$190.20
64	4611-17 S Drexel	People’s Gas	\$1,363.20
1	1700-08 W Juneway	Comcast	\$219.36
80	2736 W 64th Street	Republic Services	\$295.34
		<b>TOTAL</b>	<b>\$6,051.19</b>

Copies of the each of the foregoing invoices are attached as **Group Exhibit 8**.

**3. Payment to Surveyor**

An invoice from surveyor, Professional Associated, in the amount of \$4,300.00 for a pre-sale survey conducted on 7635-43 S East End Avenue was not paid at the closing of the sale. A copy of this invoice is attached as **Exhibit 9**.

#### **4. Administrative Order**

The property at 7656 S Kingston Avenue was named in a 2019 administrative matter, Case No. 19BT03926, that charged nine separate building violations. The Receiver was subsequently able to negotiate a nonsuit for seven of the nine counts and a discount, in an amount substantially less than the anticipated cost of repairs, for the two fines concerning building code violations relating to an exterior wall and parapet for which a finding of liability was entered in November 2019. The property was sold on December 2, 2020, but largely due to the pandemic, the judgment in the amount of \$1,075.00 in was not entered by the Department of Administrative Hearings until April 20, 2021, and therefore could not have been satisfied prior to the sale of the property. A copy of the Administrative Order is attached as **Exhibit 10**.

#### **5. Fee for Eviction Proceedings**

Property manager Paper Street Properties was invoiced \$93.60 for filing an eviction notice regarding a tenant at 8326-S. Ellis with the Cook County Sheriff on March 16, 2020. Billing for this was delayed due to COVID until after the property was sold on June 11, 2020. A copy of this invoice is attached as **Exhibit 11**.

#### **6. Insurance Deductibles**

Cincinnati Insurance Company has invoiced the receiver for insurance deductibles applying to payments made to resolve two lawsuits for which it provided a defense pursuant to EquityBuild's liability policies. Each of these invoices are in the amount of \$10,000.00.

The first of these invoices relates to the matter of *Lewis v. Paper Street Realty, LLC*, Case No. 2019 L 002401, involving the property located at 1700 W Juneway. The insurer and its counsel settled this matter for \$30,000.00 in or about January 2022, at which time defense costs equaled \$3,415.11.

The second invoice relates to the matter of *Byrd v. EquityBuild, Inc.*, Case No. 2018 L 001993, alleging injuries sustained at 7748 S Essex. The insurer invoiced the Receiver for the deductible in January 2022, after incurring defense costs in excess of \$100,000.00. Subsequently, on March 25, 2022, on the date the trial was scheduled to commence, the matter was settled for \$75,000.00.

Copies of each of these invoices are attached as **Group Exhibit 12**.

\* \* \*

Due to the large number of counsel and unrepresented claimants in this matter, it is impractical for the Receiver to determine whether this motion is unopposed in advance of filing. The Receiver intends to serve a copy of this motion (and the accompanying notice of motion) upon all interested parties of which he is currently aware by electronic mail, to the extent he possesses an e-mail address, or by regular mail if he possesses a mailing address but no e-mail address, and a copy of this motion will also be posted on the Receiver's webpage at <http://rdaplawnet.com/receivership-for-equitybuild>. The Receiver also will serve all claimants in the same manner with any order of the Court establishing a deadline for objections to this Motion.

WHEREFORE, the Receiver respectfully requests that the Court: (1) grant the Receiver's motion; (2) enter an order approving the Receiver's request to transfer funds to or from the separate accounts holding the net proceeds from the sales of those benefited properties that are the subject of this motion consistent with Exhibit 1 in order to restore funds to the Receiver's account for continued administration of the receivership (or, in one instance, to restore funds to the property account); (3) enter an order authorizing the Receiver to withdraw funds from the segregated accounts to make payments to third parties for the purposes described herein; and (4) order such other relief as the Court determines is just and equitable.

### Property Report Description

#### 1. Property Expenses Paid by Receivership

- a. Property Taxes reflects property taxes paid directly by the Receivership for the Property for the month in which paid. (Note, however, that Property Taxes paid for a property by the property manager are included in Total Operating Expense).
- b. Insurance reflects the Property's proportionate share of insurance premiums and related fees paid by the Receivership. The amount attributed to each Property was calculated by (i) determining the percentage of the annual premium for all properties represented by the annual premium for the Property and (ii) multiplying the Receivership's total insurance payments for each month by that percentage. Insurance refunds allocated to each property are deducted from the Cumulative Amount Reimbursable from (to) Property at the bottom of each report.
- c. Funds for Property Expenses Sent to Property Manager by Receivership reflects funds sent by the Receivership to the property manager to pay, or reimburse the property manager, for expenses relating to the Property.
- d. Total Property Expenses Paid by the Receivership is the total of items 2(a), (b), and (c) described above.

#### 3. Rents Restored to the Property

Note that there are some differences in reporting for properties resulting from differences in the manner in which the property managers operated the properties and maintained their accounts.

Properties managed by WPD Management ("WPD") were operated with separate accounts for each property (or, in limited circumstances, accounts for groups or tranches of properties that relate to loans of a single lender) throughout the Receivership.

Properties managed by Paper Street Realty ("PSR") were operated through January 2019 as a portfolio. Income and expense items were recorded for each property, as reflected in the monthly financial reporting PSR distributed to lenders. Subsequent to the February 2019 Order, the PSR-managed properties were operated on a stand-alone basis.

As a result of this operational difference, some of the entries on the attached reports have been calculated differently depending on which property manager managed the Property. The differences are explained below.

- a. Distributions Out
  1. For properties managed by WPD Management ("WPD"), amounts actually distributed by WPD from the Property's account to the Receivership are reflected as Distributions Out.
  2. For properties managed by Paper Street Realty ("PSR"), the Net Operating Income (if any) for each month from August through January 2019 is reflected as a Distribution Out for that month.
- b. Contributions In
  1. For properties managed by WPD, no amounts appear as Contributions In. Instead, funds were sent directly by the Receivership to WPD, as necessary, and are reflected (as described above) in Funds for Property Expenses Sent to Property Manager by Receivership.

2. For properties managed by PSR, the Net Operating Loss (if any) for each month from August through January 2019 is reflected as a Contribution In for that month.
- c. Inter Property Transfers Out
  1. For WPD properties, Inter Property Transfers Out reflects amounts transferred from the Property's account to the account of one or more other properties.
  2. For PSR properties, no amounts appear as Inter Property Transfers Out.
- d. Inter Property Transfers In
  1. For WPD properties, reflects amounts transferred into the account of the Property from the account(s) of one or more other properties.
  2. For PSR properties, no amounts appear as Inter Property Transfers In.
- e. Total Property Expenses Paid by Receivership is the same amount described in 2(b), above
- f. Rents Restored to Property by Receiver shows amounts (if any) restored to the account for the Property by the Receiver. In September 2020, the Receiver transferred amounts equal to all rent required to be restored to each of the properties listed above to which restoration was due.
- g. Remaining Amount to be Restored is the amount (if any) required to be restored to the Property by the Receiver, calculated as follows:

Distributions Out  
minus Contributions In  
plus Inter Property Transfers Out  
minus Inter Property Transfers In  
minus Total Property Expenses Paid by Receivership  
minus Rents Restored to Property by Receiver  
equals Remaining Amount to be Restored

If the calculation above results in a negative number, the Remaining Amount to be Restored is reflected as zero.

4. Calculation of Cumulative Amount (if any) Reimbursable from Property
5. Insurance Refunds Received. Reflects the Property's proportionate share of insurance premiums and related fees paid by the Receivership
6. Net Amount Reimbursable from (to) Property. The Cumulative Amount Reimbursable minus Insurance Refunds received.
