**NOTICE OF FILING AMENDED PROPOSED ORDER APPROVING
DISTRIBUTION OF PROCEEDS FROM THE SALES OF GROUP 1 PROPERTIES**

Kevin B. Duff, as receiver (“Receiver”) for the Estate of Defendants EquityBuild, Inc. (“EquityBuild”), EquityBuild Finance, LLC (“EquityBuild Finance”), their affiliates, and the affiliate entities of Defendants Jerome Cohen and Shaun Cohen (collectively, the “Receivership Defendants”), hereby provides Notice that pursuant to the Court’s February 15, 2023 Order (Docket no. 1386), he hereby files an Amended Proposed Order for disbursement of the proceeds from the Group 1 properties (3074 Cheltenham Ave. (Property 74), 7625-33 S East End Ave. (Property 75), 7635-43 S East End Ave. (Property 76), 7750 S Muskegon Ave. (Property 77), and 7201 S Constance Ave. (Property 78)), which is attached hereto as Exhibit A.

The amendment relates solely to the distributions of proceeds from the sale of 7625-33 S East End, and results from a previous claimant misnomer and subsequent confirmation by the Receiver that the David J. Geldart who submitted a claim is not the same David M. Geldart who was employed by EquityBuild. For the convenience of the parties, in the Amended Proposed Order attached as Exhibit A shows the language that has been stricken from page 4 of the original

proposed order filed on March 8, 2023 (Dkt. 1409). Exhibit 2 is the only one of the five exhibits that has been amended.

A clean copy of the proposed order in MS Word format (with the stricken language removed) will be sent by electronic mail to Proposed_Order_Shah@ilnd.uscourts.gov

Case No. 1:18-cv-5587

Hon. Manish S. Shah

**[AMENDED PROPOSED] ORDER APPROVING DISTRIBUTION OF PROCEEDS
FROM THE SALES OF GROUP 1 PROPERTIES 74, 75, 76, 77, 78**

Pursuant to this Court’s Memorandum Opinion and Order (Dkt. 1386) determining the priority of claimants to liquidated funds from the sale of the five estate properties located at 3074 Cheltenham Ave. (Property 74), 7625-33 S East End Ave. (Property 75), 7635-43 S East End Ave. (Property 76), 7750 S Muskegon Ave. (Property 77), and 7201 S Constance Ave. (Property 78) (collectively, the “Group 1 Properties”), the Court hereby finds and ORDERS:

1. Properties 75, 76, and 77 were sold by the Receiver free and clear of all liens pursuant to the Court’s Order entered December 12, 2019 (Dkt. 602), and Properties 74 and 78 were sold by the Receiver free and clear of all liens pursuant to the Court’s order entered September 25, 2020 (Dkt. 802). Pursuant to these orders, the net proceeds of sale were deposited into separate interest-bearing accounts held by the Receiver for each property. Subsequently, monthly interest deposits and a deposit resulting from the post-sale reconciliation of the property manager’s accounts were made to each of these property accounts. Additionally, pursuant to the Court’s September 25, 2020 Restoration Order (Dkt. 796), additional funds were transferred to the account for 7625 S East End (#75) and out of the accounts for 7635 S East End (#76) and 7750 S

Muskegon (#77). Finally, pursuant to the Court's Order granting the Receiver's 17th Fee Application (Dkt. 1372), additional funds were transferred to the Receiver's account from each of the five accounts. The Receiver has reported and will continue to report all such additions and subtractions in his quarterly status reports (Dkt. 624, 698, 757, 839, 930, 985, 1017, 1077, 1164, 1243, 1280, 1328, 1379) The balance in the accounts held by the Receiver for each property as of February 28, 2023 are set forth in Exhibits 1 to 5 to this Order.

2. The Court approved a claims process as to which fair and adequate notice was provided to all potentially interested persons and all were provided a full and fair opportunity to submit claims and supporting information. (*E.g.*, Dkt. 941) The Court also determined that a summary process, addressing claims against groups of properties on a seriatim basis, was necessary, appropriate, and afforded due process to all claimants and interest persons for adjudication of allegedly competing secured claims as to those properties. (*E.g.*, Dkt. 941)

3. This Court initiated the summary process for the resolution of Group 1 claims in July 2021. (Dkt. 1006) That process included exchanges of written and oral discovery (fact and expert), the submission to the Court of position statements and responses in regards to issues of priority by the SEC (Dkt. 1146-47, 1216), by institutional-lender claimant BC57 LLC (Dkt. 1152-60, 1217), and by certain of the Group 1 individual investor-lender claimants (Dkt. 1140, 1144, 1149, 1151, 1168 (attaching 50 position statements submitted by claimants to Receiver), 1195, 1215), and recommendations from the Receiver in regards to distributions. (Dkt. 1201, 1345)

4. Adequate and fair notice has been provided to all interested and potentially interested parties (including lienholders in the chain of title), and these potentially interested parties, including all claimants asserting an interest in the five Group 1 Properties, have had a full and fair opportunity to participate in the claims process established by the Court for the resolution of disputed claims and determination of secured interests.

5. Adequate and fair notice of the Receiver's proposed fee allocations has been provided to all claimants. (Dkt. 1107, 1321) All claimants have had a full and fair opportunity to assert their interests and any objections to the allocations in the Receiver's first Fee Allocation Motion (Dkt. 1107) and to Magistrate Judge Kim's order granting the Receiver's first fee allocation motion and overruling objections thereto (Dkt. 1381).

6. Having determined the issue of priority, the Court is now in a position to approve distributions consistent with the orders previously approved and entered by the Court. (Dkt. 941)

7. The Court finds that defendants implemented a Ponzi scheme in which they commingled funds and used new funds from investor and institutional lenders to pay principal and excessive profits in the form of interest which was not tied directly and exclusively to income generated by the real estate assets associated with their loans and/or investments. As a result, in order to promote the orderly and efficient administration of the estate for the benefit of all claimants, the amount of pre-receivership distributions to the individual investors on the loans secured by the Group 1 properties will be netted against the initial amounts lent by that individual.

8. Exhibits 1-5 hereto set forth the total amounts of the distributions made to each of the Group 1 claimants in the form of interest, principal, or "other" distributions (such as bonus incentives extended to claimants). These distributions have been deducted from the claimant's secured claim to calculate the net difference between "money in" and "money out" for the individual claims against these five properties, and the resulting figures used to determine each secured claimants' pro-rata share of the liquidated amounts currently available for distribution to the claimants, which are provided. For claimants whose loan secured by an interest in Group 1 Properties was satisfied in full, no distribution from the liquidated proceeds held for these properties is warranted. Likewise, no distribution is warranted for claimants who did not submit

any documentation supporting their claims and the claims are not supported by EquityBuild's records.

9. The Court further finds that certain claimants agreed to relinquish their secured interest in the Group 1 properties by rolling their secured loan to either an equity position or an unsecured promissory note. These investor lenders will be treated as unsecured creditors and their claims against the relevant Group 1 property will be considered at a later time along with all other unsecured claims against the Receivership Estate. Another claimant agreed to transfer its secured loan to different loans secured by other properties. This investor lender's claims will be considered by the Court at such time as those properties are before the Court. ~~The Court exercises its equitable authority to disqualify another claimant who was an EquityBuild employee who actively participated in the marketing of the fraudulent scheme.~~ Another claimant's claim has been determined to be partially secured and partially unsecured. Finally, two claimants asserting claims for construction work and fines and costs relating to administrative orders, respectively, do not have a security interest in the liquidated proceeds of sales, and therefore their claims will be considered as unsecured claims against the estate. Each of the foregoing positions were recommended and specified by the Receiver in his February 28, 2022 Submission on Group 1 Claims (Dkt. 1201), and no objections thereto were submitted by any claimants despite haven been given notice and a full and fair opportunity to file a responsive position statement (see Dkt. 941, 1006, 1091, 1211).

10. Accordingly, the Court approves the Receiver's preliminary recommendation of final distributions as set forth in Exhibits 1 to 5 to this Order, subject to a final accounting and adjustments that may be required prior to distribution, namely:

- a. any adjustments to the available funds due to interest accrued through the date of distribution;

- b. any adjustments to the fees allocated to the Group 1 properties pursuant to the Court's ruling on pending objections to the Magistrate Judge's order (Dkt. 1389);
- c. any adjustments to the fees allocated to the Group 1 Properties pursuant to the Court's resolution of the pending Receiver's Second Motion for Approval of Fee Allocations for Interim Payment Pursuant to Receiver's Lien (Dkt. 1321);
- d. any adjustment to the fees allocated to the Group 1 Properties in the Receiver's pending Fee Application #18 (Dkt. 1379);
- e. any additional allocation of fees to the Group 1 Properties in future fee applications;
- f. any adjustment to the expenses allocated to the Group 1 Properties pending resolution of the Receiver's Third Motion for Reimbursement and Restoration of Funds Expended for the Benefit of Receivership Properties and to Approve Certain Additional Payments from Receivership Property Sales Proceeds (Dkt. 1393); and
- g. any further developments occurring between the date of this Order and the date of distribution.

11. Because the Court intends that this be a final distribution, there will not be any holdbacks of professional fees or expenses associated with the Receiver's fee applications or fee allocation motions upon the distribution of proceeds to claimants. However, any excess proceeds in the account for 7625 S East End, following final distributions consistent with this order, shall be held in the account for that property until further order of the Court.
