**NOTIFICATION OF DOCKET ENTRY**

This docket entry was made by the Clerk on Wednesday, March 5, 2025:

MINUTE entry before the Honorable Manish S. Shah: The Receiver's 26th fee application [1846] is granted, and the objections are overruled. As with the other fee applications, the court is satisfied that the receiver's fees and expenses are reasonable, and the work was necessary to administer the receivership estate. The fees are appropriately charged against properties and not the operating account, with both the benefits and costs of secured versus unsecured interests being handled as fairly and equitably as is reasonably administrable. The court adopts the reasoning of its earlier orders overruling similar objections. The court appreciates the continued objections. More than simply preserving their objections, the objectors' filings provide the court with a useful check on the Receiver's bills. The Receiver shall submit a proposed order to [proposed\\_order\\_shah@ilnd.uscourts.gov](mailto:proposed_order_shah@ilnd.uscourts.gov). The motion to approve distribution of Group 6 Properties 108-113 [1839] and UBS#039;s motion to withdraw the motion for discovery [1842] are granted. Notices Mailed. (psm, )
